THE BAND of BLUE

The Colleton County High School Band of Blue, directed by Mr. Tom Finigan, was incredible this year! Their theme was "Light 'Em Up," and of course they did! Whether away or home, they always played their hearts out. They were the grand champions at Bamberg, with first place visual, drum major, music, and colorguard. They also won first place at Effingham. How could we not be so proud of them? The band participated in many events and fundraisers: carwashes, fruit sales, and they even did a turkey shoot. Everyone looked forward to seeing The Band of Blue take the field. At games, the crowd cheered loudly to show appreciation for their talent. Likewise, they had a wealth of support from people at competitions. They were just that great! Each year, there's a different theme. This year's "Light 'Em Up" pagentry was a tremendous success! The moment the lights on their uniforms came on was the moment everyone's eyes lit up! They certainly caught the crowd's attention; every time their uniform lit up, the audience just went crazy! Everyone was positively mesmerized! The Band of Blue was and always will be THE SHOW of Colleton County High School!

RHYTHM//
 The drumline performs together at a band competition. They did a fantastic job, as did of the rest of the band.
