

# VARSITY CHEER

The Colleton County High School cheerleaders enjoyed this season very much. They loved coming together as a team. They became much closer with each other, better known as "cheer sisters!"

Senior Dahlia Inabinett says that "cheerleading was fun because I became close with my cheer sisters."

Senior Kenndy Crosby says, "The best part of cheering at Friday night games is feeling the energy from the crowd and having their support."

Senior Aaliyah Fishburne says, "What I love the most about cheering is the senior privileges."
