

VARSITY SOFTBALL

The Varsity Cougar Softball team, coached by Driggers and Gantt, is a dedicated group of 14 girls in cleats with the determination to win. Practicing hard on the field to beat their opponents, the team of girls had a great season.

If senior Sarah Way #16 is down, she can "count on her girls to bring her back up." She sees her team as a big family and believes that they are successful because of determination and team work.

Junior Kelsey Reeves #12 states: "Being on the field is like an escape to me." Her goal this season is to play the best she can for her team.

Sophomore Hallie Robertson #7's dream is to play for the USA Olympic team when she gets older. Every night she "is thankful for never having received an injury and prays to God every night for her well-being."

SENIOR SARAH WAY #16

In mid-pitch, a wave of focus and determination spreads through the pitcher's body. Once she strikes out the batter, she lets the ball leave her fingertips.
