We are so proud of the caring, smart, beautiful young lady you have become. Dream big dreams and reach for the stars. Always let your light shine!! Never forget Philippians 4:13.

We love you!

I am so proud of you. You have accomplished so much: scholar, athlete, and leader. You are beautiful, strong, always positive, and full of life. You are a blessing and always continue to follow God and your heart. You are my sunshine.

Love, Momma

You are ending a milestone and have made it look so easy with the decisions you've made! Now you start the next chapter; I know you will do great. Just know I will always be proud of you and will be there for you always. My greatest joy is seeing you succeed.

Love, Daddy
