

# HOMECOMING

photo by Cindy Crosby

The Class of 2018, the senior class, won the Spirit Stick during the homecoming game after a tough fight during spirit week!

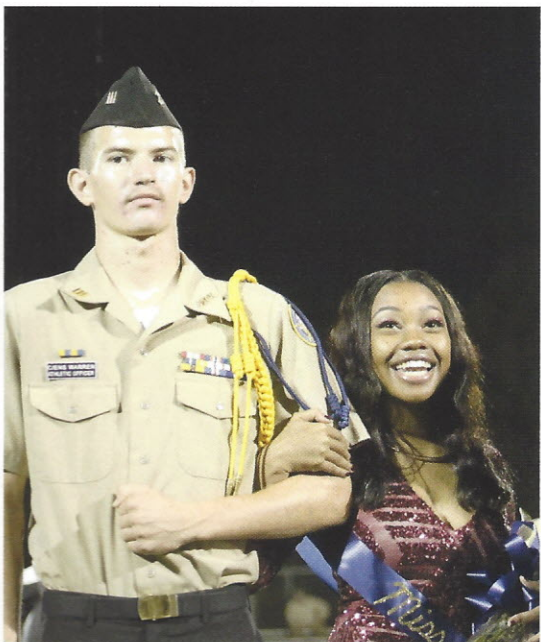

Homecoming was filled with healthy but competitive festivities, starting with the week-long class vs. class competitions, including an ultra-charged pep rally, and leading up to the Homecoming Court and to the football team playing all-out against Beaufort. The student section was filled to the max and roaring with spirit! Crowning the winners for Homecoming and the awarding the spirit stick was definitely a great way to end homecoming week.

Kasheyonna David was crowned Miss Junior at the 2017 homecoming game!

Senior Macie Stone was crowned Colleton County High School's 2017 Homecoming Queen!

Jalasia Barnett was crowned Miss Senior at the 2017 homecoming game!

The student section was packed for the homecoming game! The Colleton County student section is always supporting their cougars! You can always count on the student section to get hype and to stay hype whether it is a loss or a win!
