Spanish is a critical course for a student to learn in order to help expand one's horizon. Beginning with learning how to ask for someone's phone number in Spanish I to differentiating between preterite versus imperfect verbs in Spanish 3, these classes provide knowledge and necessary resources for a person's day to day life.

Spanish Club is helpful for those who are either not yet taking Spanish or just simply want to learn more about it. Ms. Davis does her best to help club members improve their Spanish speaking skills by making the activities both fun and engaging.

Seniors Trekia Daniels, Shannon Bowman, and Tyleshia Hudson quickly pose for a photo as they enjoy sampling regional dishes on Cultural Day in Ms. Davis's class. They are pleased with the good job the class did in planning the event.

Sophomores Amber Avant, Hans Gabriel, and Teniia Brown brainstorm ideas on how to promote the Spanish Club to get more members.

Sophomore Jasmine Leyva and Freshmen Ashley Goettee work diligently on the assignment as the class continues to learn past tense verbs.

Cultural Day is an inclusive way to learn the history and traditions of Spanish speaking countries. It's a day where students can participate in learning the countries' heritage by bringing in some of the more popular foods from the country they've recently been learning about.
