STUDENT COUNCIL

The Student Council members came together over the break. While they were there they ate, exchanged gifts, and had an ugly christmas sweater contest! 1st place was Macie Stone, 2nd place was Hannah Robertson, and 3rd place was James McDowell.

Student Council is an organization dedicated to help the students. They give them events to look forward to in school. Student Council comes together weekly to plan the next pep rally, special events, such as spirit week. Since it is split into separate grade levels, each class has their own officers to plan what the grade level does to help us win spirit week. Student Council also develops ideas on how to give back to the community by using fundraisers and donations.
