

JV FOOTBALL

"Football is like life. It requires perseverance, self denial, hard work, sacrifice, dedication, and respect for authority." - Vince Lombardi

Our JV Football team acts as an allusion to the importance of cooperation, dedication, and humility within the student body. They wear the CCHS moniker loud and proud to represent their school with honor. The team devotes themselves to one common goal. They keep their bond tight and mindset intact to execute the best plays in every game. Every member stays motivated and disciplined, showing this through their amazing performances. They held their own this season and represented Colleton County High with pride.
