

VARSITY CHEERLEADING

AWESOME!

Varsity Cheerleaders at the football game, cheering on the sideline, sending high spirit vibes to the team.

Every game night, Colleton County Varsity Cheerleaders put their all into supporting the football and the basketball teams. This group of talented athletes perform stunts and cheer throughout the game to energize the crowd and inspire the team to greatness. Under the guidance of Coach Meagan Driggers, the 2017-2018 Varsity Cheerleading Team learns to collaborate together to make the whole group stronger. They became a family; Through all the tears and laughter that come with the hard work put in throughout the year, they learn to love each other like sisters. The unbreakable bond of this team shows in the excellent work they do on the field and on the court.

Sophomore Tierra Saumel performs a stunt of strength and flexibility during the first home game of the season.

As a senior, the opening game can be exciting, but bitter sweet. Senior Mahogany Richards says, "From cheer I will miss the sisterhood and the bus rides with my cheersisters." It's those times that the girls can bond.

An incredible performance by the cheerleaders at the Homecoming Pep Rally brought everyone to their feet.

Top: The cheer team competed against two marines to see who could do the most push-ups during the homecoming game. With every touchdown, they celebrate by matching the score in push-ups.

Bottom: Sophomore Brie Sauls and Senior Daishia Ferguson support their Cougars and the fight against cancer by wearing pink at the Homecoming Game.
