

VARSITY BOYS BASKETBALL

The Colleton County Boys Varsity Basketball team watches their teammates from the side lines and supports them, hoping to encourage their team to do the best they can.

The varsity boys basketball has had a great season this year. These boys were the first to go to the second round of playoff. Another achievement was that the team set the school record for most points scored in a single game. These, along with many more accomplishments, prove that these boys are capable of whatever they put their mind to with the help of teamwork and a common goal. Each player left every game immensely proud of themselves. The varsity boys basketball team is hoping to continue their lucky streak with many more accomplishments in the next season.

Senior De'lajae Ferguson (# 1) and junior Nyeem Green (#5) work as side kicks to keep the ball out of the competitions hands.

Senior Jerry Green (# 21) guards the ball with his superhero strength. Jerry says "Don't let the game play you; you play the game."

"You can't think about it; you just have to do it," says senior Tristian Nieves (# 2) at the Colleton vs. Beaufort game.

Top: Junior Shykem Chisolm (# 10) watches his opponent and hopes he can make it to the basket with the ball safely.

Bottom: Senior Tyler Gant (#3) looks to his teammates for their support in transferring the ball from one player to the next in order to score the winning basket.
