

WOW!

VARSITY GIRLS SOCCER

POW

Coach Danny Wiggins talks to the girls pre-game and discusses what they need to do on the field. The girls are eager to start and bring home the win.

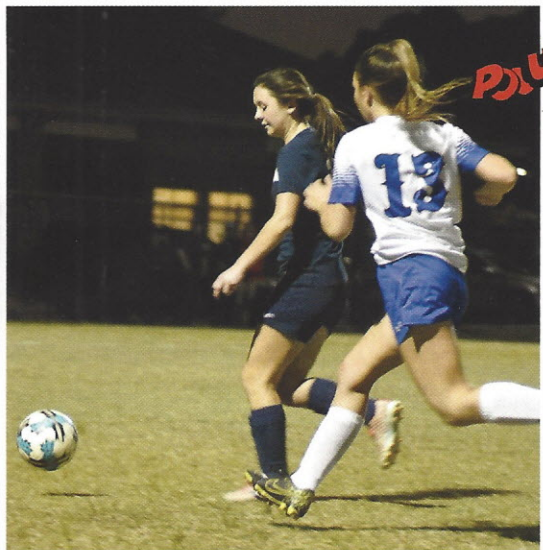

This years Varsity Girls Soccer team has been working hard. When they say team they mean it! It takes every girl to make an impact and win. To be a part of this unit, you have to be competitive and want shared success. There is no room for being weak and fragile, it's their kryptonite; aggressiveness is their super power. This is what takes our Lady Cougars to the playoffs!

Senior Karis Thomas (# 19) makes a tackle to gain possession of the ball to score a goal. Junior Mckenna Mabry (# 10) and senior Macie Stone (24) wait for the pass

Junior Caroline Duffie (# 7) passes the ball back to senior Daryn Hooker (# 18). Combining passes spreads to get the ball to sophomore Heather Dowd (# 11), who readily awaits the chance to dribble the ball towards the goal.

Senior Daryn Hooker (# 18) says, "I enjoy spending time with my teammates on and off the field. Some of the girls are my best friends and playing on the field with them is the best!"

Junior Amber Warren (# 8) is defending the ball as May River players attempt to dribble the ball down the field to score a goal. In the meantime, senior Karis Thomas (# 19) anxiously waits to receive the ball if her assist is needed.
