

# JV GIRLS SOCCER

Assistant coach Danielle Van Hulst talks to team about strategies and gives a pep-talk before their game at May River High School.

Soccer is more than just a competitive sport, its freedom. It is an activity where players can relieve stress and forget a of their worries. This Junior Varsity Girls team teaches beginners the concepts of communication, hard work, and respect. They work hard and practice, practice, practice! These young Lady Cougars know that working as a team is what it takes to succeed, but they also really know how to have fun as they get things done.

7th grader Faith Bishop (#3) and 8th grader Charleston Beach (#39) are ready to receive the ball in spite of their opponents' attempt to block them.

Sophomore Zy'Aire Johnson (#33), the goalie, waits to block the ball from entering the goal. Meanwhile, Sarah Ward (#37) and Kasheyonna Down (#36) wait for a mistaking rebound to kick the ball up field and away from the opponents' goal.

Junior India Stokes (#34) and Freshman Kaylee Reimel (#23) walk onto field to get into their positions because a new play is about to begin.

#28 Sierra Obenaus (8th grade) dribbles the ball up the field and passes to #2 Ryleigh Bishop (8th grade), who then dribbles further up the field to the goal!
