

# VARSITY SOFTBALL

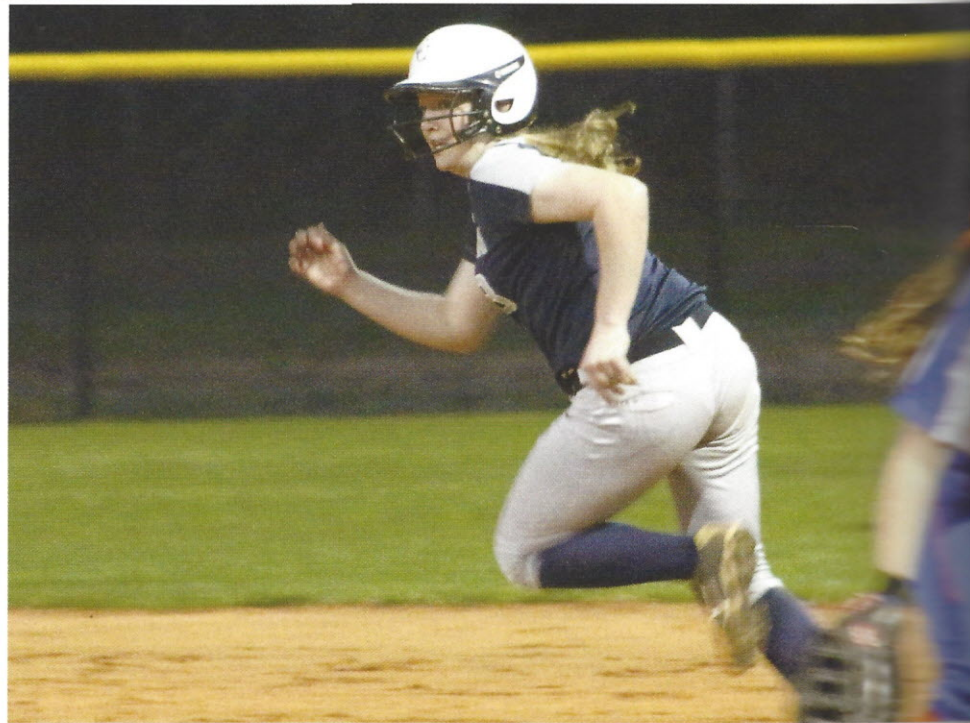

The Colleton County High School Varsity softball team huddles around their coach, Mr. Rusty Adams, to motivate each other before the big game.

The quote, "Being a part of a team is like being a part of a family" is true to our Lady Cougars. When you're a part of a team, you work together and help each other out, just as you would in your family. Winning is a good feeling, but working as a team to reach that goal is even more enjoyable. Not only do you feel good about yourself, but you feel good about your team. Knowing you have support on and off the field really can make an impact. Starting off the season with a good attitude could lead to a great year for the Colleton County Varsity Softball team.

Senior Hallie Robertson (#7) goes up to bat at the first scrimmage of the season against James Island. Her stance says she's ready!

Left: Freshman Sydney Howard (#4) aims and fires the ball toward home plate with the hopes of getting the competition out.

First basemen Freshman Karson Hiott (#9) practices for the perfect throw before their big scrimmage.

Right: The team celebrates their success in the first inning against Cane Bay.
