FA-LA-LA TO ALL!

The lovely ladies of chorus (left) together will other chorus students (right) shared their musical gifts with the community. In addition to visiting residence of the nursing home on one occasion, students

also attended other district schools (middle) to spark the holiday spirit. The performers and the audience were all cheers with their sweaters and beautiful smiles.

SHOWING WE CARE

Singing at the nursing home was a wonderful experience for senior Jaquain Smalls. Keep sharing those talents, CCHS Chorus!

CHRISTMAS LOVE

Senior Kendall Bell was very happy while being supported by the audience and her friend, former CCHS chorus student, Samantha Calcutt.
