

JAG

A program that is dedicated to helping at-risk students graduate from high school to pursue a career or postsecondary education known as Jobs for America's Graduate JAG. After leaving JAG, students should be able to go straight in the work force, attend college, or join the military. Leadership skills, employment skills, and business knowledge is taught throughout the program. Mr. Pat Thomas is making the JAG program thrive in 2018-2019 school year.
