IF IT DOESN'T CHALLENGE YOU, IT WON'T CHANGE YOU

STRENGTH AND COURAGE

The Cougars have always shown great courage in trying to be the best team every season. This season in particular was seen with a new fire in their game and their heart. Victory was the only option this season.

Forever a Cougar

This season of football for the Cougars has been one of the best this year. The Varsity Colleton County Cougars football team showed great courage and determination to win this season. This is the first year in two years that they have made the Playoffs. Although they came up short in the second round, they showed great tenacity and strength. Considering the amount of seniors that will be graduating from Colleton County, they put all of their effort on the field this season. Even as they prepare to depart, they will forever be a part of the Cougar family.

ACCOMPLISHMENTS

Lane West (12) was named to play on the North-South All-Star Team. As he said, "This was one goal I'm proud I accomplished. It was so much time, effort, and commitment put fourth."

PINK IT OUT

In the month of October, the Cougars wore pink to represent Breast cancer awareness month.
