THE STUDENTS THAT "RUN" THE SCHOOL

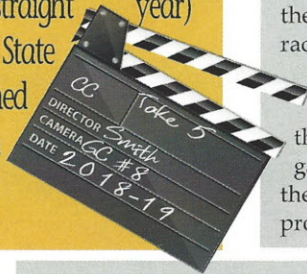

The 2018-2019 Colleton County High School Cross Country team is very motivated and determined. The team acts as a family but they weren't afraid to push each other and compete for the varsity spot. This year's team showed us that improvement and refinement is present every day at practice and races. Coach Smith plays a significant role in keeping his runners happy and motivated. He's always showing encouragement and support, and without the support of him and Coach Marianiello, the team wouldn't be as strong as they are today. They finished the year with the girls team finishing fourth in the Lower State Championships and thirteenth (for the third straight year) in the Class AAAA State Championships. The less seasoned runners showed their growth with a fifth place at Lower States.

BOYS & GIRLS WIN

The team has accomplished much in 2018. They won the first two races of the season and then kept at it! The girls and boys won at Wade Hampton, and the girls won the Camden and Fort Dorchester races. Even though the team will lose some great senior runners on the girls team plus one on the boys at the close of this year, they have also gained more dedicated runners on the team to continue to grow the program.

BEFORE THEIR PHOTOSHOOT

The team waits, practicing smiles and poses before taking their "real" team and individual photos. (In the biz, we call these "outtakes".)

HOME OF THE MIGHTY COUGARS

BEFORE THE FIRST RACE OF THE SEASON

The girls team ran in intense heat many times and still achieved great times. This proves their love and dedication for this sport.

SENIORS: TAKE THE LEAD ROLES

Two of our seniors' last first race on the CCHS Cross Country team was bittersweet. Wyatt O'Quinn and Kensley Dantzler have put over four years into this sport. Our Cross Country seniors will truly be missed in the upcoming seasons.
