

This season has been a great season of learning and growing when expectations don't go the way we hope," says assistant coach Samuel Hammer. The players played very well and did their best. The season ended on a high note with the senior night ending on a 6-1 score. Many people scored that night, like Drew Bowman, Gerardo Valdes, Preston McCloud, and Robert Adams. Many of our boys say that senior night was the highlight of the season.

KEEPIN' IT LIMBER

Practice isn't just for after school. During half time, the Colleton County High School Boys Varsity Soccer team stand in a line and do a series of stretches like leg kicks and lunges, as well as running back and forth to keep their muscles loose. These halftime exercises are also a good time to talk strategy and discuss what to do if a game isn't going as planned.

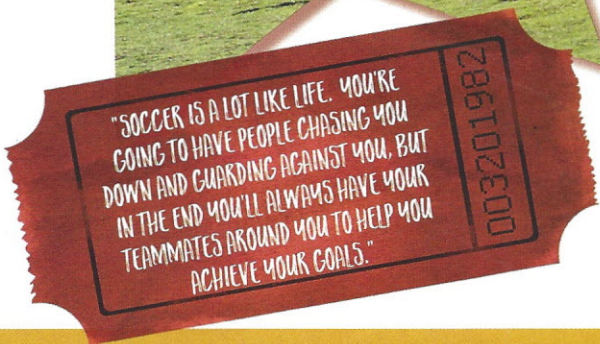

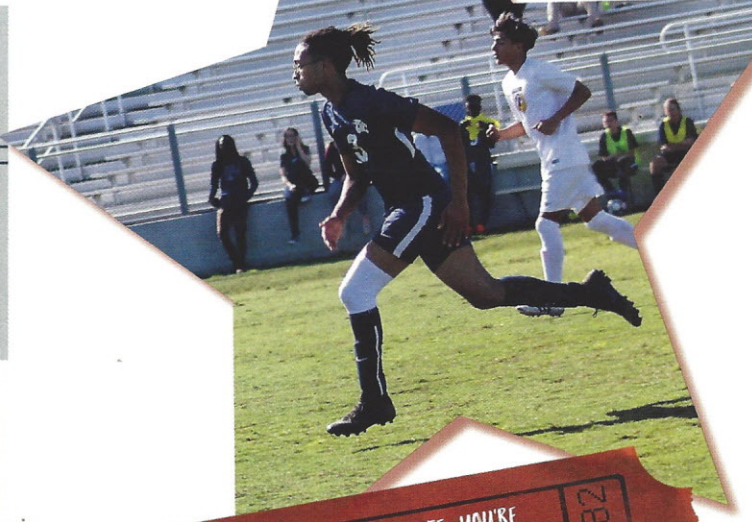

RESPECT

Senior Drew Frank gets down on one knee out of respect as a member of the opposing team got injured in the game.

KEEP THEM ON THEIR TOES
