

JV Boys Soccer

ONE TEAM ONE DREAM

The Colleton County High School Junior Varsity Boys Soccer Team played strong this season. The latter half of the season was spent bringing some of the JV players on the field with the varsity boys to get a feel for how varsity games are. Our CCMS players are also doing well. Head coach Jessica Ryan believes that next season will be even better and it will be a stronger program. She says their motto was: "Gotta put our shades on because the future is bright!"

LEARNING OPPORTUNITIES

The junior varsity team of any sport is an opportunity to learn the fundamentals and grow towards the mastery of the varsity level. That opportunity presented itself on the game field during the final game of the season. JV players joined the varsity players on Senior Night. Here, sophomore Caleb Mabry (#24) assists senior Lance Calcutt (#6) in a steal that resulted in one of many goals for the successful night.

PRESSURE? NO PRESSURE!

Freshman Robert Boseman (#21) works defensively to press North Charleston's player into a turnover.

STAMINA & SPEED

Junior Saterrence Robinson (#22) knows that being fit and fast is key to being a strong soccer player.

A QUICK MIND & QUICK FEET

L: Freshman Thomas (Dooley) Hiott, sporting the goalie's jersey, successfully guards against any points being scored against CCHS!
R: Freshman Brent Varnadoe (#14) demonstrates why agile footwork is important to keep up with the ball and the handler.

ELIUCO CANDEJAS (QTH) - TANNER DEWITT (QTH) - WHATT DREW (QTH)
