

It's not about talent. It's about heart. It's about who can go out there and play their heart out. They're not going to give you anything. So you have to go out there and take it. This set of girls always come to get dirty and play the game how it's suppose to be played. We understand our goal and purpose, that's why we have been on a mission to win. To be 2019 Region Champs. I enjoy helping Coach Tavara Edwards coach this set of girls."
