BREAKING WITH A NEW DIMENSION

# 86

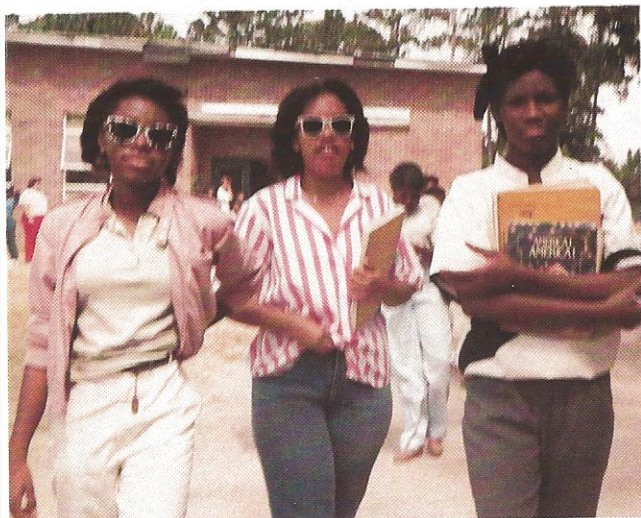

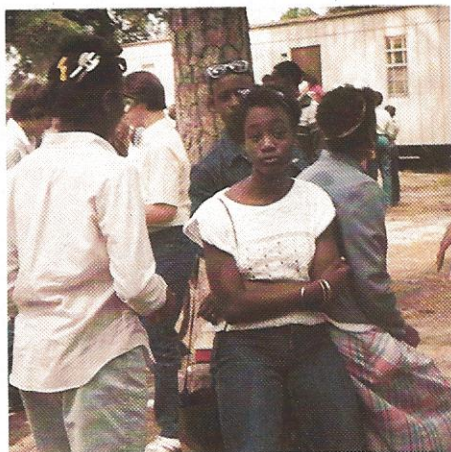

# SIGHTS OF CMS

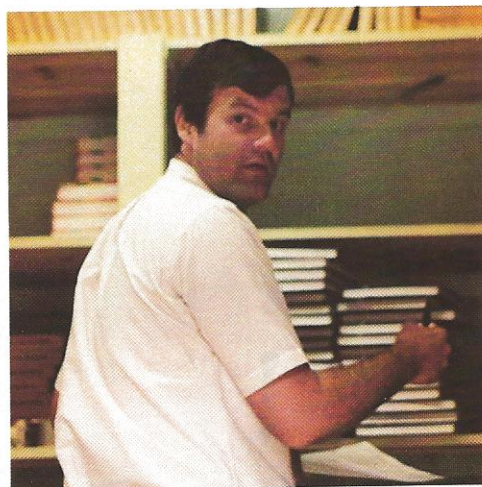

We're really the Pointer Sisters.

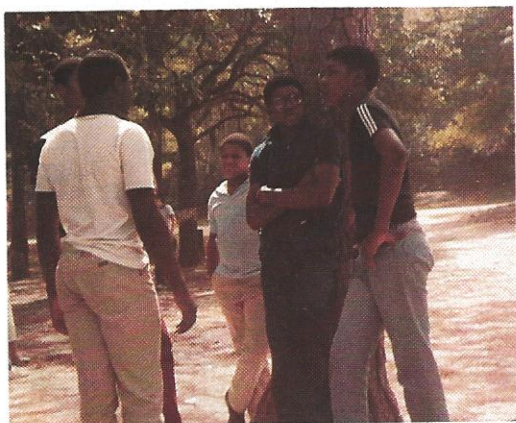

They made me come here.

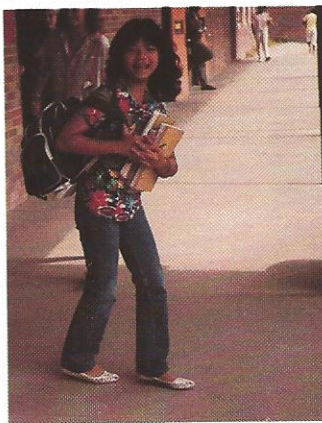

Future Wrestlers.

I could'a had a V-8.

Well, how do we move this tree?

That bell catches me everytime.

Smiling Carolina  
easel.

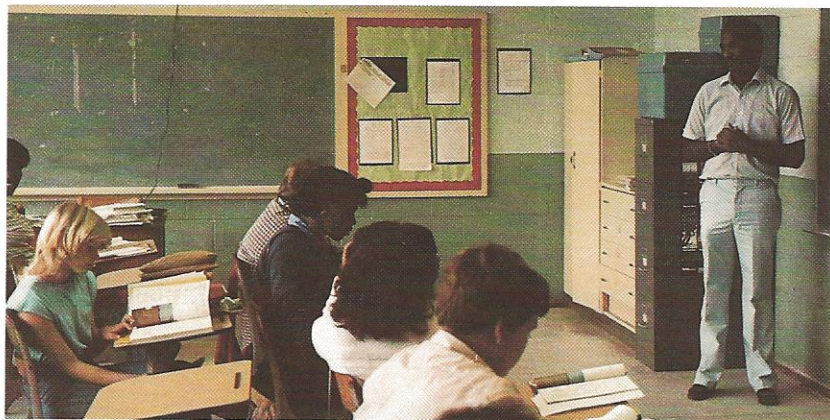

Guess who?

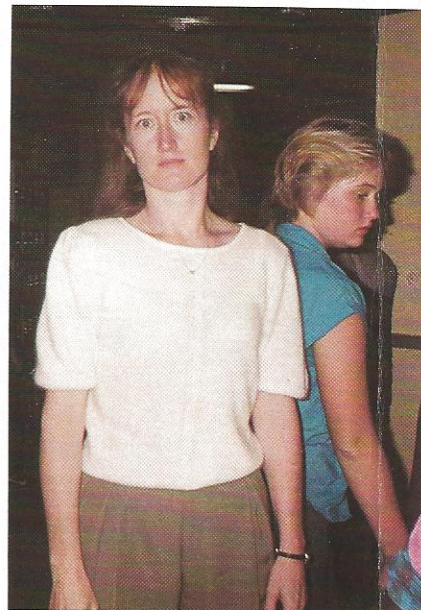

"I just dare you!"

I'm so excited I just can't stand it!

Master the Math, make the money.

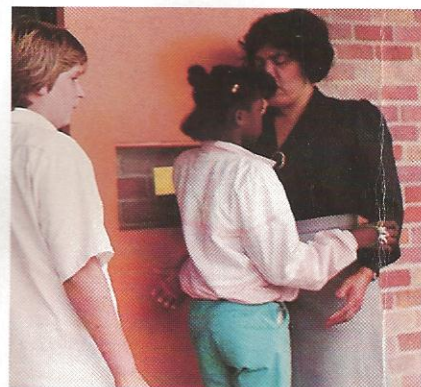

Lord knows we try to keep them together.

"You all make me sick."

Who said we can't be Beauty  
Queens?

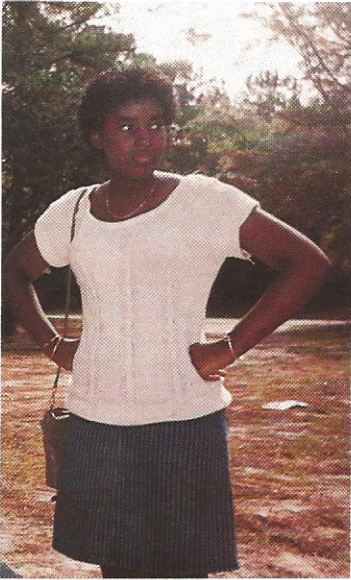

Line up for morning hugs.

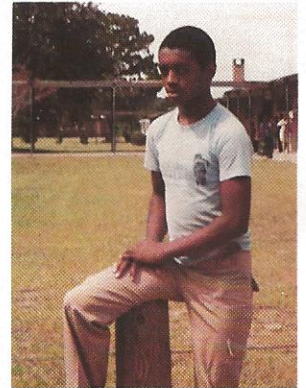

Do it again!

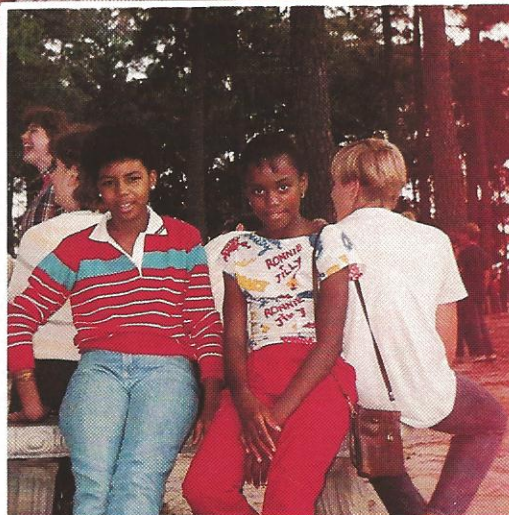

We play your tunes.

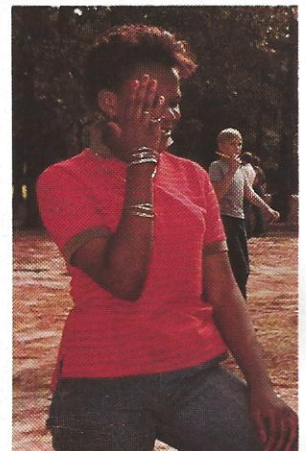

The innocence of youth.

I wish you would!

Wake me for the week-end.

I'm so embarrassed!
