

Principal's Message

"The Man Behind The Scenes
At Colleton Middle School
Campus A."

Principal, Franklin R. Smalls

Colleton Middle School is four years old now and this is the third yearbook. There are many things that need to be improved upon, but when I look at the total school program and achievements; I am proud, but not completely satisfied because there are so many other things that need to be done.

Many words of thanks goes to the staff for their support; students for their behavior and achievement. Just remember, my primary objective is to provide an opportunity for every student at Colleton Middle School to build a strong foundation for high school.

May I say to the 8th Graders, good luck in high school and to the 7th Graders, I look forward to seeing you next year.

CMS Principal,
Franklin R. Smalls
