

"Softball takes a lot of hard work but it is worth every minute."  
Laurie Steele

**Batter up!** Batting was a large part of practice. Each player hit every afternoon hoping to improve their batting average. Tracy Tittle swings for a good hit.

**To hit** or not to hit? Marnie Amerson concentrates on hitting another homerun. Her contributions to the team were greatly appreciated.

**Pitching** to victories. Susan Zeigler was offered many scholarships for her outstanding pitching abilities. Here, she throws one of her pitches that led the Hawks to many victories.
