

“

*I'm glad that a Science Club was started because it gives those who like science and making things a chance to do more than a classroom allows.*

**Dawn Burros**

The Spanish Club always mixes fun with learning the Spanish culture. On Spanish holidays Shelby Trippe, Wanda Herndon and other members enjoy picnics in the school yard.

That's my hand, not a yearbook! Tina Patel and Amy Carter are both so anxious to finish writing names in the Talons that they hurry to grab the last book.
