

Be A Part Of The Seen

"This is the smallest car I've ever been in!" Rebecca Speaks laughingly makes this observation just before she pulls out of the pit stop to hit the track. Remember Rebecca, the smaller the car, the faster!

"Watch out for the fountains!" As Shelley White and Garry Hunt try to maneuver away from the water fountains they try their best to warn Laurie Steele and Kristie Smith to do the same. However, it seems there is nothing Laurie and Kristie can do to avoid them. Don't worry girls it's only water!!

Look at him go! Buck Howell and Virginia Greenwell stand back to admire Tommy Carroll as he masters one of the video game rides at Frankie's Fun Park. With his hand on the throttle, Tommy Carroll is ready to burst into space leaving his friends behind.

"Look y'all I can fly a helicopter!!" Detra Stanfill seems to have found her calling as a pilot. Could there be a career as a naval aviator in Detra's future?
