

Michael Upchurch waits patiently for Ms. Dean to finish helping Jessie Chaconas with her school work before he asks her a question. The first grade was always a challenge to these students but they could always be found making the best out of a day.

Michael Upchurch, John-Michael Mayer and Jason Hoats enjoy participating in the pep rallies with the cheerleaders. The first grade enjoyed going to school all day this year, which proved to be a learning experience that these students would not forget.
