What could be better than an exciting football game on a cool, crisp Friday night? Nothing, as long as the Hawks are playing!

The 1991 Varsity Hawks, coached by George Brittle, along with Danny Parnell and Mike Green, did not have a winning season, but the games were intense and many were close calls. With the loss of ten graduated seniors, the younger boys had big shoes to fill. Their hard work paid off when many of the lower classmen found themselves in starting posi-

tions. The experience gained by these boys will benefit the team for years to come.

With a record of 2-8, the Hawks had a tough season. They were victorious only over Jeff Davis and at Homecoming against Country Day. The rest of the season was disappointing for the team. Many key players were unable to participate in the last few games because of sickness and injury.

The Hawks appreciated the help of managers Robbie Baggett and Archie Murdaugh and statistician Walter Fralix.

Craig White, junior, uses his famous fancy footwork to dart through a hole that he has spotted in the defensive line. Extensive running drills during practice gave the Hawks the speed and agility needed to perform these tricky moves.

Marshall Morehead, Lance Dennis, and Jason Bryan block their opponents to help Craig White head straight to the endzone for another touchdown. The whole team is responsible for scoring, not just the player who makes the touchdown or the one who throws the great pass.
