

Before the game, the Hawks took time out to talk about game strategy. This last minute preparation proved effective with a victory over Dorchester.

Lindsay, Kimberly, and Heather practice vigorously before their opponents from Sea Island arrive for the long awaited conference game.

## Hitting Home

# RUNS

The Lady Hawks had a tough, hard-working season. With practice every afternoon, these girls proved that they could stand the hard work that was needed to have a strong team. "Softball," said Susan Drawdy, "is the toughest sport to play because you have to block away all of these spring fever temptations and concentrate on the game." Therefore, with dedication and spirit among the team members, the Lady Warhawks finished off another season with a winning record of 6-5. With a mixture of new and old team members, the girls worked together with enthusiasm. They put forth their best throughout the year until the playoffs at Avalon, but they returned home defeated by one run.

"I believe that the team can look forward to a better season, even though because of soccer, the number of players may decrease," said Christy Fagnoli. The team has also graduated many valuable players including Marnie Amereson, Marie Deloach, Dargan Rowe, and Anne Clamp. However, because of the perseverance and optimism, the Lady Warhawks are anticipating improvement.
