

## Stealing

# HOME

The 1993 Varsity baseball team consisted of thirteen players who lacked experience, but had great determination. The combination of talent and skill required for baseball was exacting, but the perseverance of the team became evident during the two hour daily practices. Early in the season Coach Brittle had decided that "All our players have ability — they need to concentrate on the game." Perry Hunt agreed. "You have to take baseball seriously."

The Hawks enjoyed a great win over Beaufort Academy but still ended the regular season with eight wins and nine losses. Despite a losing season, the Hawks made it to the play offs, but were defeated by both Richard Winn and Avalon. "Next season our team will be older and stronger, which hopefully will be a winning advantage," said Shaw Regenovich.

Awards given at the 1993 Athletic Banquet went to Bert Sweat for most improved player, Jason Strickland for best batting average, and Lance Dennis for most valuable player and second best batting average.

Home run! Sophomore Wesley Pye leads the Hawks to victory over Beaufort Academy by slamming the ball deep into the outfield.

Front Owen Brittle. Middle L-R Marc Amerson, Brandon Hiott, Frankie Kellam, Garner Regenovich, Bert Sweat, Pat Padgett. Back L-R Coach Barry Morehead, Lance Dennis, Marshall Morehead, Wes Pye, Shaw Regenovich, Jason Strickland, Coach George Brittle. Not pictured Gene Alderman and Perry Hunt.

*"The best thing about baseball was practice; we could sit around and talk."*  
Shaw Regenovich

*"I was disappointed that baseball lasts a short time. I can't wait until next season."*  
Marshall Morehead

Another out? Wesley Pye throws the ball home hoping that it gets to home plate before his opponent is able to score. His pitching ability was very helpful to the team.
