Overall the 1993 Warhawk football team had a good season. In the beginning the Hawks had a few losses but got their act together by practicing and concentrating harder. One major accomplishment was a three-way tie between Clarendon Hall, Holly Hill and CPA for Conference Championship. The Hawks also made it to the first round of the State playoffs this year. Unfortunately, their season ended when Wardlaw defeated them 13-12.

After losing five starters, the team consisted of nine seniors, three juniors, and nine sophomores. "This year our team was older and more experienced, just not motivated," stated Coach Brittle. The coaching staff consisted of Coach Brittle, Coach Morehead, Coach Parnell, Travis Morehead, and Shan Pye, assisting.

Awards given at the 1993 Athletic Banquet were to Jason Stripling, most improved; Shaw Regenovich, most valuable player; Wes Pye, best offensive back; Marshall Morehead, best defensive back; Gene Alderman, best offensive line; and Jason Strickland, best defensive line.
