# TIME

The 1993-94 Junior Varsity Girls' basketball team had enthusiasm as well as experience, but stature was almost a handicap for them. "As a whole our team was small, but we had enough determination and spirit to make up for our size," said Melanie Hoats.

Just like any other basketball team, the girls had some wins and some losses. "The losses didn't make us lose faith," said Christy Fagnoli. "They helped us work at what we had done wrong." Both the wins and the losses help the girls prepare for the more experienced Varsity team. "There are a few players that are ready for Varsity," said Coach Parnell. "Next year others will have more playing time."

By the end of the season the girls had many ups and downs, wins and losses, but through it all the girls learned the main aim of basketball — to have fun!
