

The Wee Hawks worked hard on their cheers that they performed during football games.

Nicole Aichele practices her lay-up before a game. The B-Teams gave up their Saturdays to play.

## The Time Of Their

Two activities at CPA include students too young to participate on the junior varsity teams: the Wee Hawks and the B-Teams. The Wee Hawks, cheerleaders in Kindergarten through fifth grade, practiced during and after school with the junior varsity cheerleaders to learn how to perform cheers and dances during football and basketball games.

The Girls' B-Team was coached by Mrs. Brenda Carter and managed by Reid Updyke. The Boys' B-Team was coached by Mr. Vince Farnoli and managed by Christy Farnoli. Both coaches and managers volunteered their time to work with the teams. The B-Teams were open to any sixth through eighth grader. They practiced techniques, played intramural games and also played against other schools on the weekends.

The Wee Hawks and the B-Teams are important for the younger students to learn the basics they need to know to participate on the Junior Varsity teams.
