

A New Kind Of

FCA

This was the first year that a Fellowship of Christian Athletes was offered at Colleton Prep. Available to grades nine through twelve, FCA was not limited to just athletes; anyone could be a member. The purpose of the fellowship was to allow the members to pray for each other and the Colleton Prep teams. "It is important for us to know that we have each other to lean on during the good times and the bad," said Brandon Fralix.

The FCA was headed by Coach Barry Morehead. Marshall Morehead was voted president, Susan Drawdy Vice President, and Jessica Street Secretary-Treasurer. There were only eighteen members this year. Next year more students should become involved in FCA after they learn what the club is about.

"I'm really glad Colleton Prep finally started the Fellowship of Christian Athletes. It helps the team members to think of each other and work better as a team," stated Coach Morehead.

Coach Morehead explains why prayer is important. Prayer is the purpose of the FCA.
