

Headmaster Raymond Quarles gives a brief introduction and welcoming speech to the visiting teams competing in the Quiz Bowl.

"I am proud to be a member of both the National Honor Society and Quiz Bowl. They give me the opportunity to share my knowledge and to compete to the best of my ability," said Brandon Sauls.

Jon Baggett, Michael Stone, captain Walter Fralix, and Wanda Herndon prepare themselves for another round.

The Quiz Bowl is a very challenging organization for which intelligence and a fast hand are helpful. "Being a straight A student isn't all it takes," said Jon Baggett. "Knowledge of many subjects is essential."

The Quiz Bowl worked hard to prepare for the match by practicing every Monday and Thursday during school lunch. The preparation paid off because the team came in second place for the region. Mrs. Reeves, the advisor, commented, "I was proud to have such a dedicated team that would give up their lunch to practice." The Quiz Bowl also had a scrimmage planned against Walterboro High School. Even though it was a small group, they had lots of fun. "We were all dedicated," said Wanda Herndon. "And we worked as a team, which made things better."
