Since I don't have any younger brothers or sisters, I really liked Secret Pal Week. The lower school children looked forward to us sending them something every day. the picnic gave me a chance to meet them and get to know them better.

As we come back, year after year, we carry on a tradition of learning, competing, and sharing. Together, we have recited the Pledge of Allegiance each morning and excitedly cheered the War Hawks at pep rallies. The Secret Pal picnic is one of the symbols that CPA is truly a family. U Don't Say!
