

When the clock struck eight on the night of May 27, 1994, the graduating class changed their lives forever as they closed the doors on their pasts at CPA and began new futures as high school graduates. The graduates had time to reflect as guest speaker, Mr. Jim Miles, gave a few words of encouragement to them. Tracy Tittle presented Amy Godley, Student Body President, with the class gift, and touching speeches were made by the Valedictorian, Amy Carter, and Salutatorian, Tina Patel. Final Memories of the night were made as the graduates threw up caps in celebration and said goodbye to CPA.

Like their Senior counterparts, the Kindergarten graduates also donned cap and gown for a long remembered march down the aisle. During their ceremony, the class repeated their alphabet cheer and recited their favorite lines. These two nights will be remembered forever.
