## **National Honor Society**

As part of his NHS duties, Senior Patrick Ritter helps in the library.

This year's National Honor Society began an exciting year with its new sponsor, Mrs. Christy Hammond. With officers Wes Pye, Garner Regenovich, Patrick Ritter, and Wanda Herndon, this group initiated several exciting projects. For the first time, the group raised money to attend the Spring Convention in Myrtle Beach. Senior Jennifer Mixson stated, "I enjoy being a member because of the recognition it gives to students who work hard."

The NHS sponsor, Mrs. Christy Hammond, uses her spare time to help math students.
