

Remember the Time

Dedication

Mrs. Sharon Folk

The following excerpt from the 1986 *Talon* speaks volumes about a special CPA teacher: “Another new addition is the excitement Mrs. Sharon Folk [brings] to the French and Spanish classes.”

A decade later, Mrs. Folk still demonstrates that same enthusiasm, whether she is frying “churros” before winter exams, leading the Spanish Club and YAB in Christmas carols, traveling to Spain with students, or teaching her classes.

Fittingly, the theme of this year’s book is “Remember the Time.” Because of Mrs. Folk, many students complete each school year with inspiring memories of her generosity, enthusiasm, and dedication.

In honor of Mrs. Sharon Folk’s eleven years of service to Colleton Preparatory Academy, the annual staff proudly dedicates the 1996 *Talon* to her. Mrs. Folk has meant a great deal to the student body, faculty, and staff; they in turn will always cherish the wonderful times she has provided.

Through the Years: 1—Mrs. Sharon Folk. 2—Keeping the seniors out of trouble last year by being the first to sample the beverages. 3—Performing in *Oedipus Rex*. 4—Frying “churros” for her Spanish classes on the day before exams. 5—Cheerfully (as usual) tolerating the school’s portrait photographer.
