

Remember the Time *Dedication*

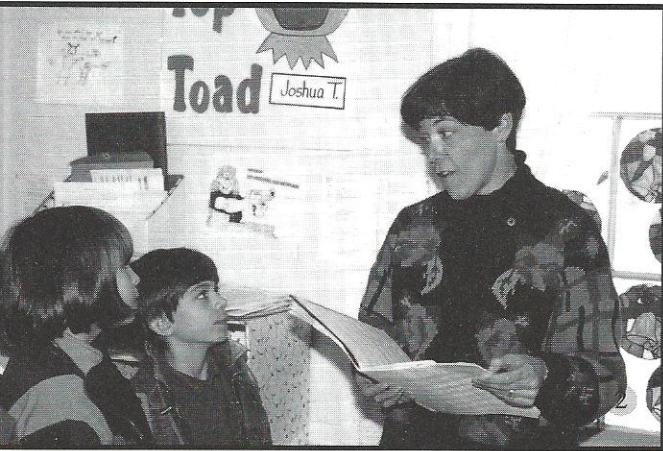

Since the fall of 1988, Mrs. Katie Davenport has been a member of the faculty as an elementary school teacher. Over the years, she has also played many other roles: wife, mother, “cheerleader,” musician, and friend.

In addition to her administrative duties as lead teacher for the lower school, she is an active member of the War Hawk Booster Club and a faithful participant at Bethel United Methodist Church, where she enjoys playing the handbells.

While Mrs. Davenport has touched many young lives as a teacher, she has also inspired her peers by personifying consistency, perseverance, hard work, and generosity.

In honor of Mrs. Katie Davenport’s eight years of service to Colleton Preparatory Academy, the annual staff proudly dedicates the 1996 *Talon* to her. Mrs. Davenport has meant a great deal to the students, faculty, and staff; they in turn will always cherish the wonderful times she has provided.

Through the Years: 1—Mrs. Katie Davenport. 2—Checking on grades for anxious third grade students this year. 3—Comforting her “grumpy” daughter (Lindsay) after the winter play production. 4—Serving as a pilgrim mom for young ones. 5—Planning to escape from “portrait prison” a few years ago.
