

Frankie,

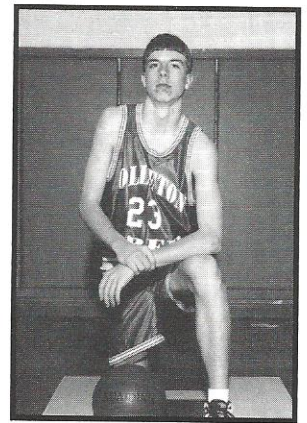

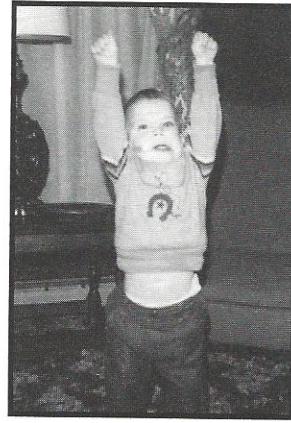

Thank you for being such a special son to me and a special brother to Adam. I have always been extremely proud of you. Through the years, good times and bad, we never gave up. Now you will be graduating and starting a new aspect of your life, but the one thing that will never change is the love that I have for you.

Wherever you go and whatever you choose to do, know that I will always be your mom, your friend, and your biggest fan.

Follow your dreams and your heart. Learn by your mistakes, and you will find success wherever you go. Adam and I will always be around for you, just because we love you.

Good luck and God Bless you always.

We love you,
Mom and Adam

Jeep,

Every once in a while, someone special like you comes along and brightens the lives of everyone. We can always count on your compassion, determination, and honesty. We are very proud of everything you have and will accomplish in your life. Thanks for being the best son and brother that a person could ask for. Remember, there's only one Jeep!

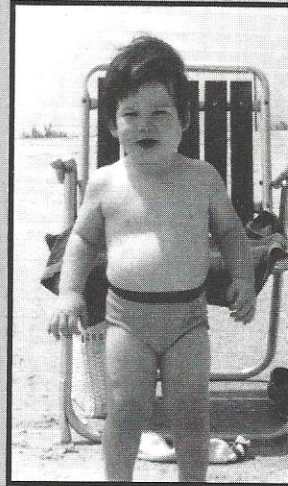

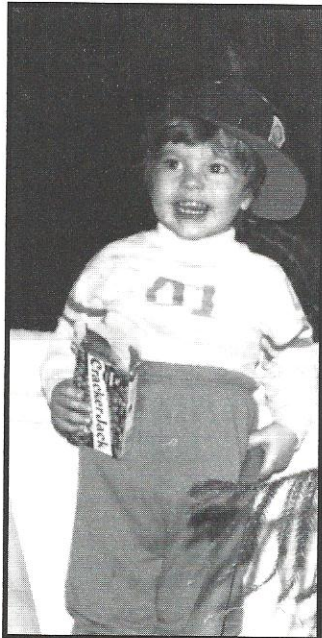

Love Always,
Dad, Kim, and Chip

Adam

It's been 12 short years. Now it is time for a new beginning. Success and happiness are what you make it. We know you will continue to make us proud!

We love you.

Mom, Dad,
and Farrier

Joe,

May you always know how appreciated you are and may you never forget what a blessing you have been.

Always remember you are your own greatest asset and never forget how much I love you.

Mom

P.S. Memories of Desert Storm will always linger.
