

Kin,
Keep your chin up! I know you can make a great success of life.

**Love,

A Special Son

How proud I am of you, as you graduate this year!
You have been such a special son. One that I hold so dear.

As you face the road ahead, my wish for you, my son
Is that you set your standards high
And when each day is done —
Know that you've done your very best
You've tried —

To make the most of those special gifts
That God has given to you
Hold Him close, my special son,
And you will see it's true.
You'll not be alone each day you face
He will be with you
Take time to feel His Love and Grace
In everything you do.

I say farewell to my little boy
And see a fine young man.
I love you, Henry, with all my heart.
Take care! Do well. You can!

Mom

We are so proud of
