Lee:

You are the one who must choose your place.

You must say where you want to go, how much you will study the truth to know.

God has equipped you for life, but he lets you decide what you want to be.

We are proud of you.

Chad

On a stormy night in July many years ago, a baby boy was born. He was special as is every newborn child. Only later were we to find out how special. Our son is above average in his behavior and is a real joy to us, his parents. Over the years we have discovered that he has a very special gift. He seems to attract people with problems, and he takes the time to try to help them in any way possible. He is a blessing to others and especially to his family. He has surpassed our wildest dreams for a son. God could not have sent us a more wonderful gift from heaven. We will be forever grateful for our son, Chad. He knows what he wants in life and he will achieve it.

Love,
Mom & Dad
