

Dedication

The yearbook is dedicated every year to someone who has either been at Colleton Prep for a substantial amount of time, or has contributed greatly to the CPA family. This year's Talon is dedicated to someone who has fulfilled both of these requirements, Mrs. Belle Morehead. She has been involved with our school since 1982, and although she has left us several times, she has always returned with the same Hawk spirit and desire to help and teach. Mrs. Morehead has been involved with both Lower and Middle school teaching. She has coached volleyball and been the Talon supervisor. The CPA family wishes to recognize Mrs. Morehead to show our appreciation to such a wonderful lady.
