

The Seniors, led by Mrs. Werntz, start the day on The Battery.

Ansley, Deana, and Kristy enjoy this break in the walking by striking a pose.

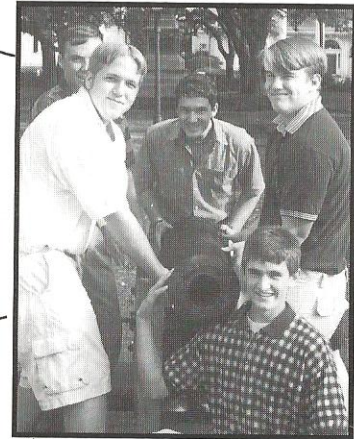

Michael takes time to check out the view.

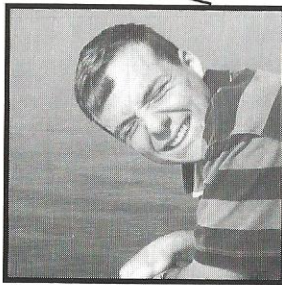

On September 20, 2000, the Seniors went on their Senior Day Trip to Downtown Charleston. The day was packed full of memories as they toured the Battery, Waterfront Park, and Abercrombie & Fitch. With all of the walking this entailed the bunch feasted at Applebee's -- and we do mean feasted! Mrs. Werntz, the Senior Sponsor, along with the class, are never going to forget this day!
