

# *Congratulations Seniors*

I have watched some of you grow from Kindergarten to young adults - some of you have left and returned, some have you started in the first grade, some of you have joined the class in later years, but each of you have a special place in my heart. I am very proud of you. Thank you for letting me be a part of your school days. I have enjoyed every minute of it. I love you.

If we could give a gift to you  
That your heart could always hold  
It wouldn't be made of precious jewels  
Or formed from purest gold.  
We'd always pray God's best for you  
And do everything we could  
To make your life a blessing  
And to seek your highest good.  
Thank you for all the years of love and joy  
smiles and talks you brought into our lives.  
May all your hopes and dreams come true.

We love you, Mama & Daddy
