THE HAWKS!

Dedication to One of the Best.

Senora
Morgan!

Mrs. Morgan

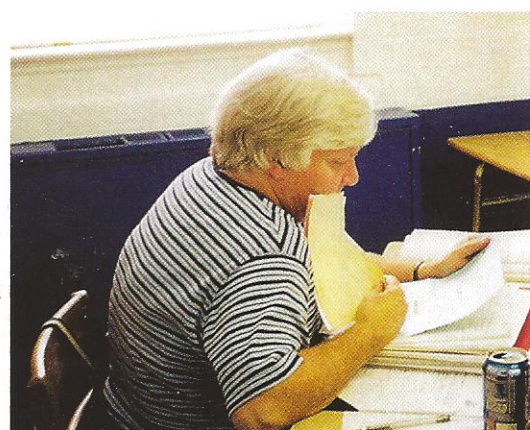

Hola! Mrs. Morgan smiles on her way to the office. She must be going to get her morning coffee!

Senora Morgan has been a part of the Colleton Preparatory Academy family for six years. She may be a fan of oxymorons because she is actually a Spanish AND English teacher. Having been to Mexico, she always has amusing stories to tell her pupils (like mistaking one Spanish word for another resulting in humorous misunderstandings). We've always really enjoyed Mrs. Morgan and are lucky to have her teaching. Her two children, Amanda and Jeffery Morgan, attend CPA.

La profesora y su estudiante. Mrs. Morgan poses with one of her students.

Notas, notas, notas. Mrs. Morgan diligently works on grading papers, so her students will get their report cards on time.

The Amusing...

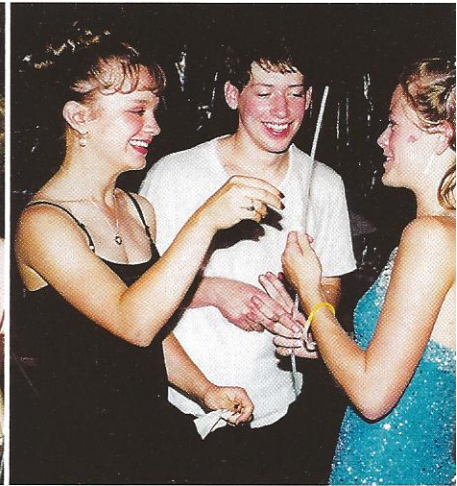

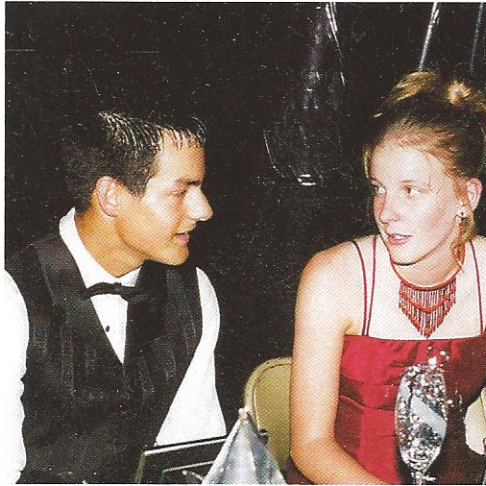

The Unpredictable...

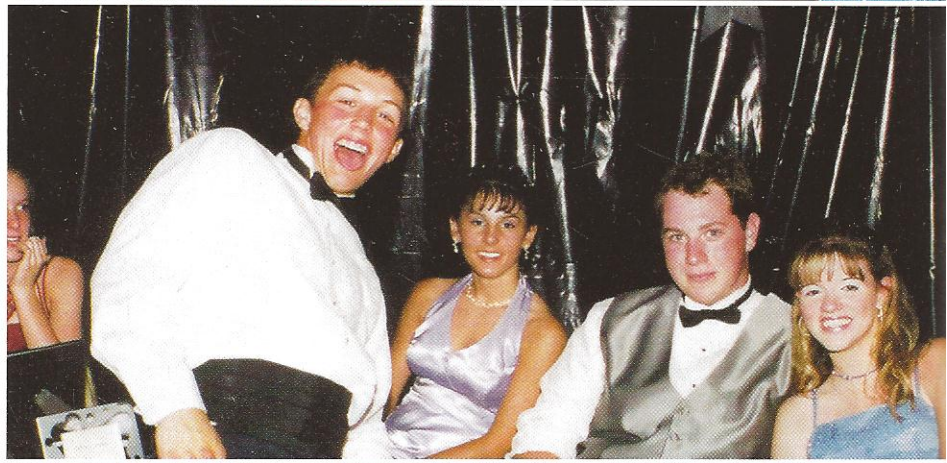

The Students

Kyle and Christina take a moment to gaze romantically into each other's eyes.

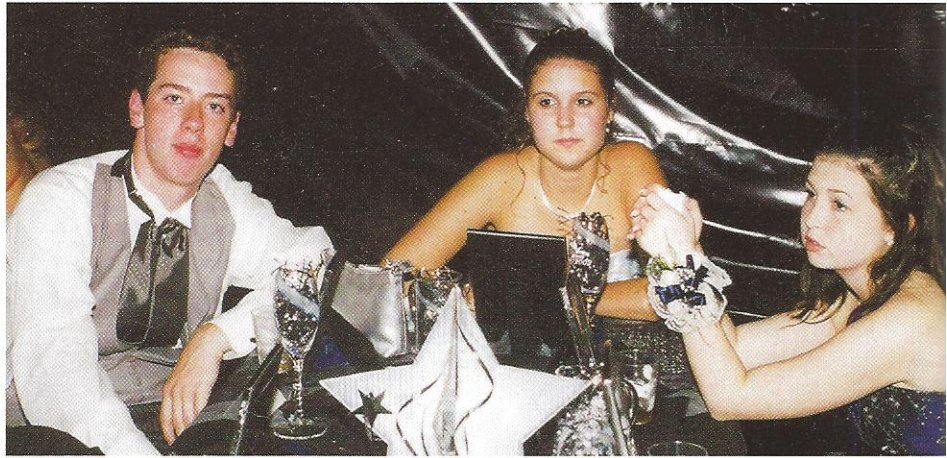

Alison and Haley playfully fight over Wesley's glowstick.

Chad leads Tara, Lee, and Shellie in a good laugh at Prom 2002.

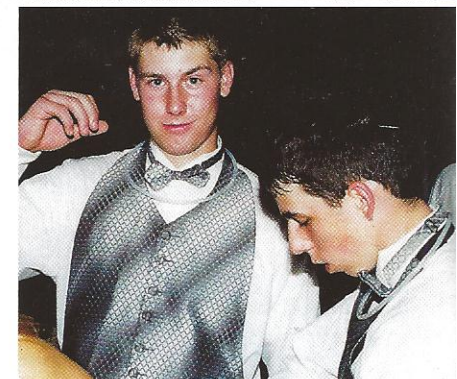

Smooth Jim slyly hogs all the ladies.

Ashley and Ricky Boogie on the dance floor! Whoo-Hoo!

Justin, who's used to mingling with the cultured elite for hours on end, finds it amusing that Patrick is already checking the time every few minutes.

Prom Night 2002

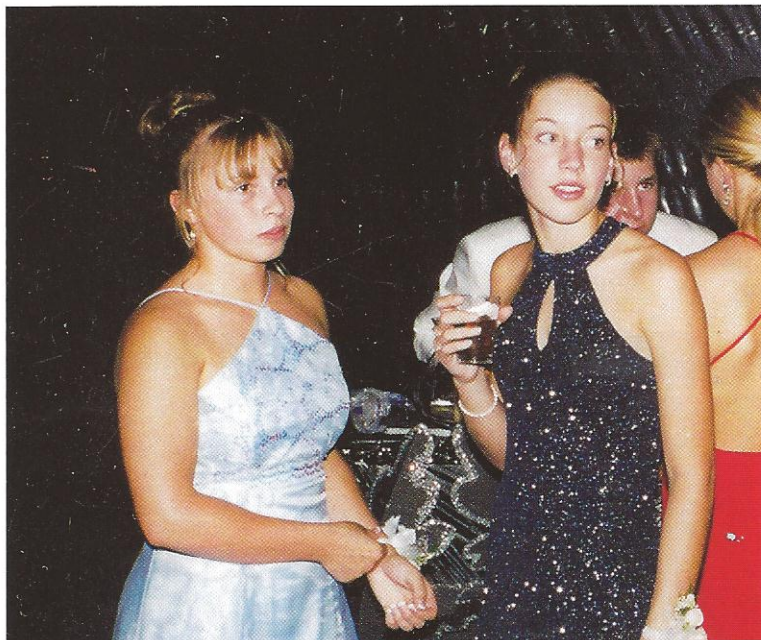

A very special evening for Seniors and Juniors and their significant others.

What a Night!

You can tell by her look that Rebecca is having a grand ol' time!

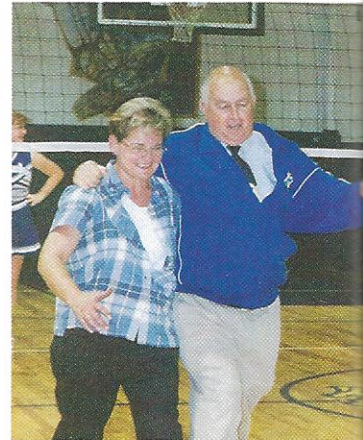

Andrea and Lindsey stop by the bar to view the choice of punch during a break in dancing.

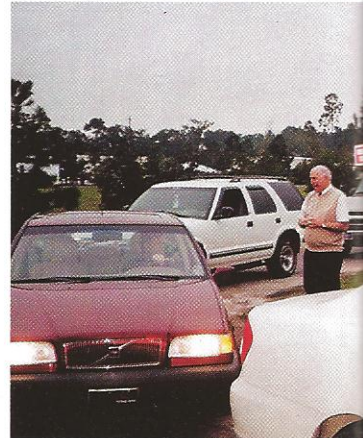

WELCOME, MR. O'GORMAN!

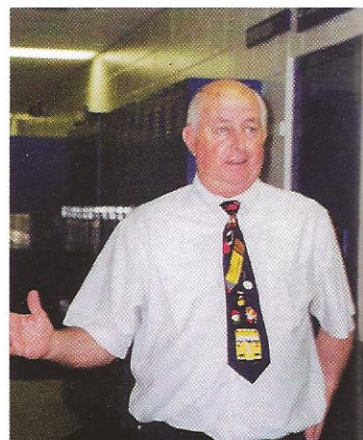

Mr. Louis O'Gorman took the position as headmaster this year. Possessing fantastic school spirit and an extraordinary ability to compromise, he is a valuable asset to Colleton Prep. He always has a friendly greeting for everyone and is present at every pep rally. Mr. O'Gorman is a very accomplished man, having know-how in many fields and coaching experience. He also served in the US Army and has been the member of several prominent organizations. His wife, who is also a member of the CPA faculty, and he are very welcome here, and we hope they have a good year!

Mr. and Mrs. O'Gorman enjoy themselves while participating in a pep rally game. Who knew walking with three legs was so much harder than walking with two?

While directing morning traffic, Mr. O'Gorman gets the chance to chat with CPA parents.

"Well you see, it's like this..."

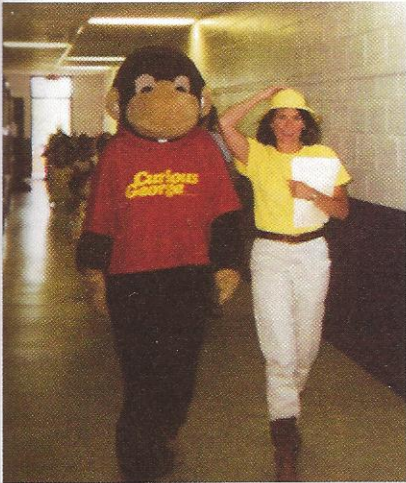

Story Book Parade

The Story Book Parade

happens in late spring. Kindergarten through fifth grade participate in the event. All the kids read a book, and they dress up as their favorite character. The parade starts off on the football field where each class shows off their costumes. Parents are invited to come and watch. The day ends with a march down the halls of the middle and high school buildings. All the children really enjoy it and look forward to it every year!

A mischievous Pipi Longstockings is definitely thinking of what kind of joke she can play on the photographer.

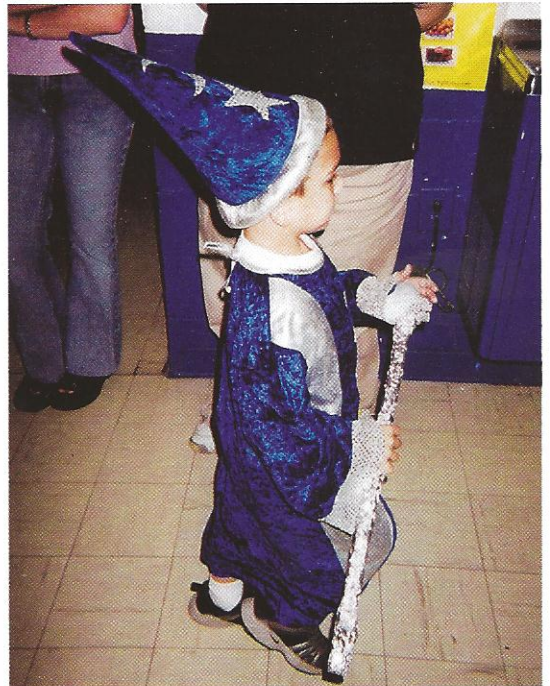

Mrs. Copeland walks with Clifford on their way outside.

It's a mini-Merlin!>>>

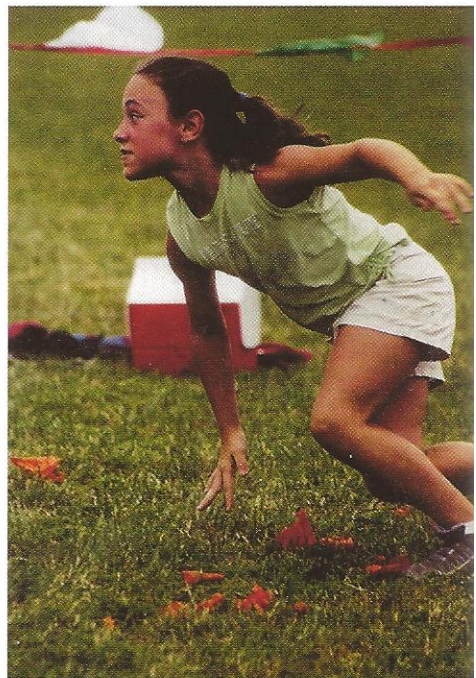

Wow! A pirate, Dorothy from the Wizard of Oz, and the tooth fairy, all in one group!

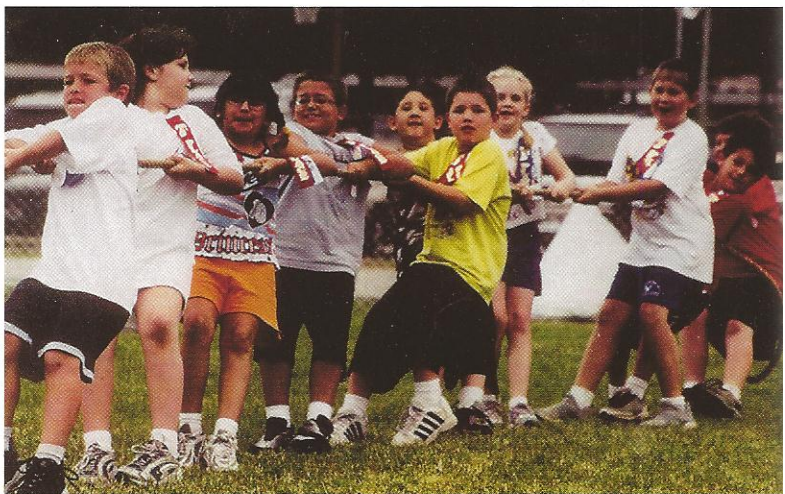

Field Day

"And she's going 'round the curve. Here she comes, ladies and gentleman, nearing the finish line..."

Mrs. Crosby totes a little girl across possible "enemy" lines. She seems to be telling her, "It's okay, we're gonna win this one."

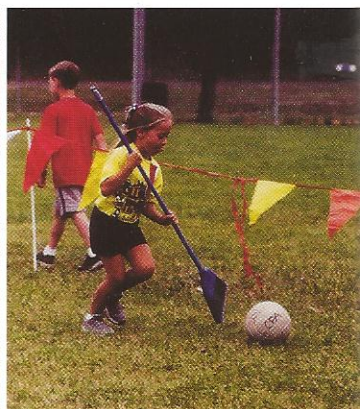

"PULL! PULL! PULL! Give it all you got!"

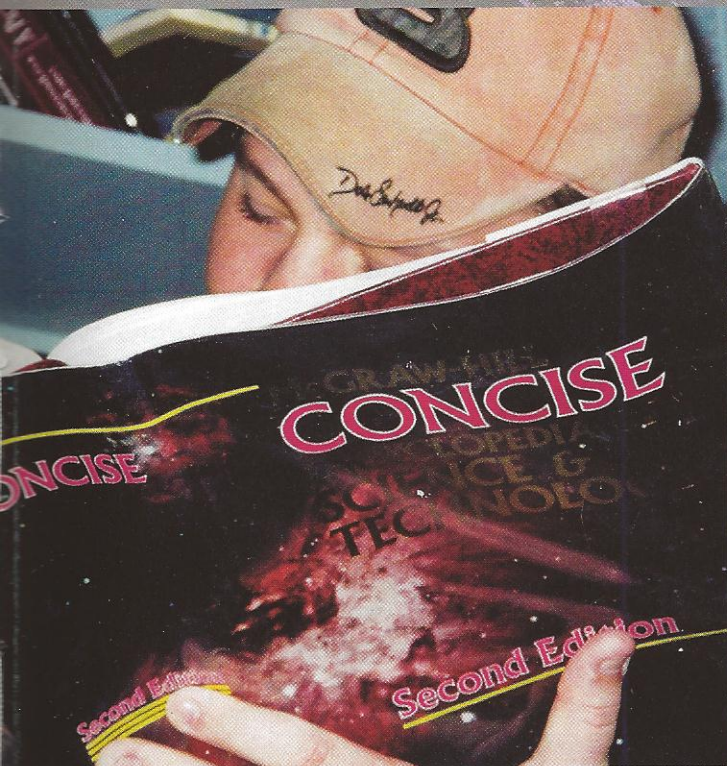

Jonathan Hill, imitating a jack rabbit, jumps over a pole during a competition.

These exuberant children bound as quickly as possible hoping to win the potato sack race.

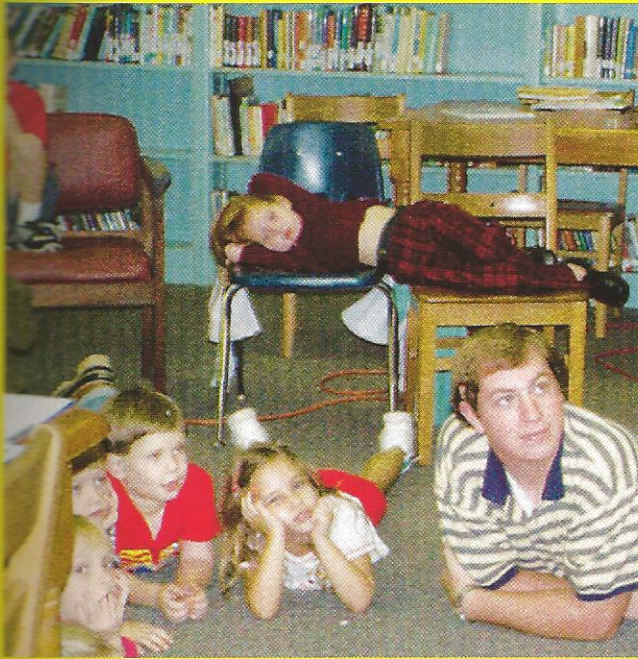

"Sweep" that ball to the goal!

Congratulations!

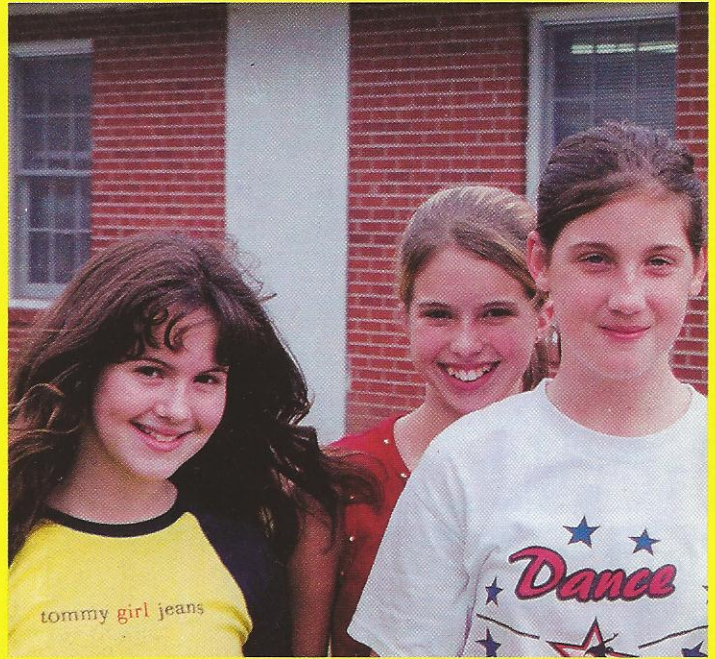

2002

(Top Left) Kindergarteners and Seniors alike feel right at home in the library while watching a movie.

How does Lee Chasteen get to participate in such challenging activities?

(Above) Victoria Rizer, Christopher Slocum, and Laura Craven are determined to reach China before the end of recess.

(Top Right) Haley Houck, Tindall Pryor, and McKenzie Breland are ready for any obstacles that may be placed in front of them.

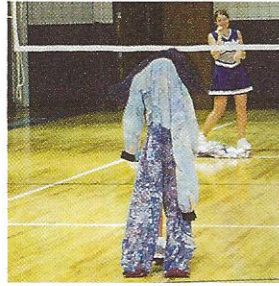

(Above) Coach Miller assists Clint Benton with Chemistry work during study hall.

A Day in the Life...

SPIRIT WEEK

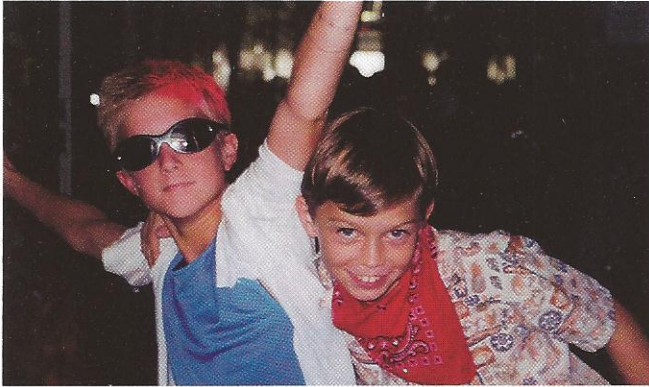

Everyone looks forward to Spirit Week, a tradition greatly enjoyed by all. This year, Colleton Prep was over-run by fashion failures, twins, drag-queens/kings, and blue & white kids. The banner contest was also held, which was won by the 9th grade. Wonder what next year will bring?!

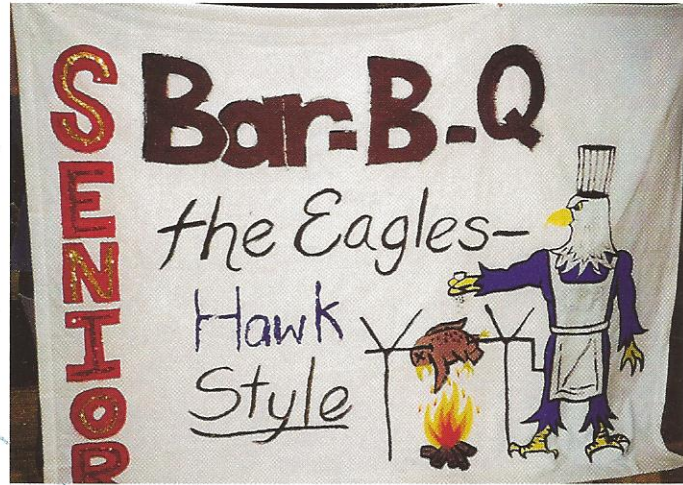

Some anonymous kid gets entangled during one of the Spirit Week pep rally games.

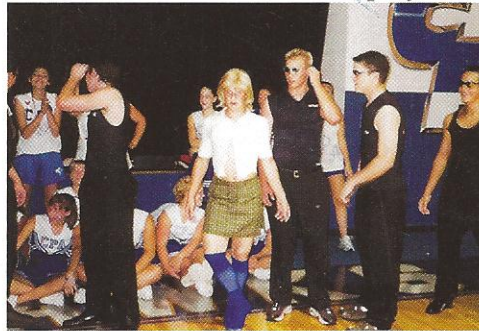

These buff bodyguards are ready to escort Ms. Spears down the runway.

A couple of "Too-Cool" dudes.

The Senior Spirit banner illustrated the Hawks bar-b-quing the Eagles. That's odd, one bird of prey cooking another bird of prey--weird.

Some bunnies showed up to escort one of the mock homecoming queens.

Hit me baby one more time! Everyone enjoyed Jason Brown's impersonation of Britney Spears, and his... her bodyguards weren't too bad either!

Your Voice: What was your favorite day of Spirit Week?

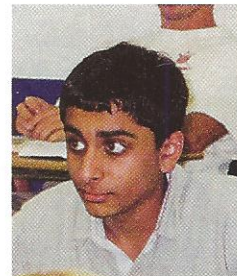

"Pajama Day, because I had a reason to buy new ones!"

"Blue and White Day because everyone was blue and white."

"Let me get back to you..."

"Blue and White Day because that's when the game was."

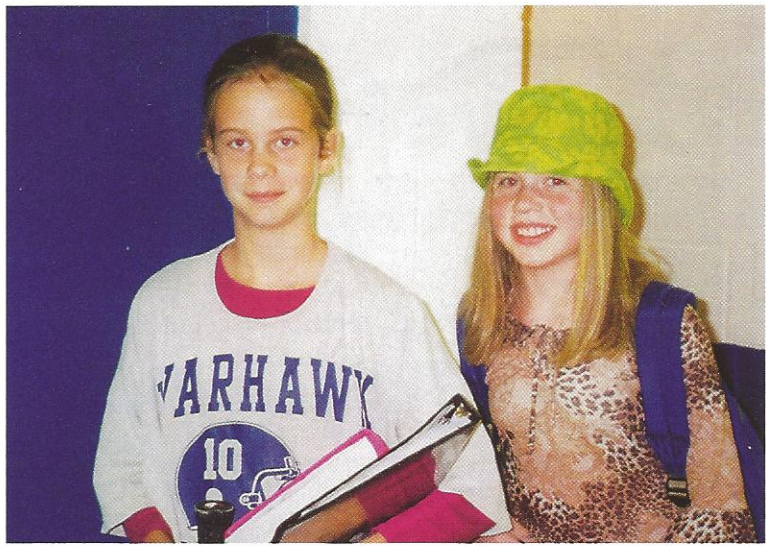

"I liked Blue and White Day best because I got to dye my hair!"

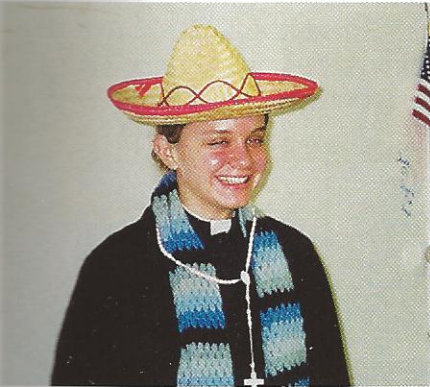

Jim Brown shows his spirit by painting his face like a blue and white yin-yang.

Lanie Utsey and Kate Cannon really know how to illustrate a fashion crisis.

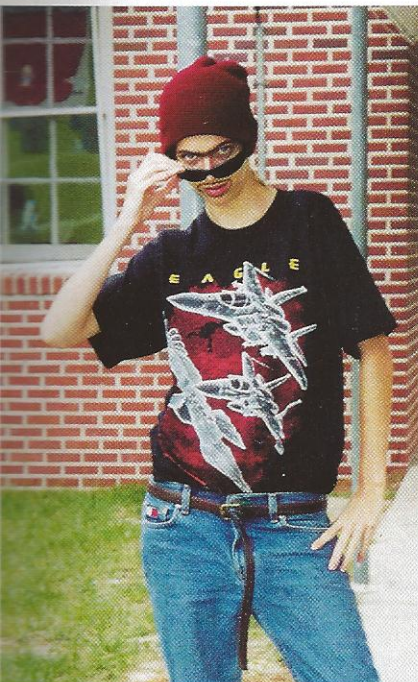

Alison has learned to grin and bear it after all her years of being a part of Spirit Week.

Could Drew >>> Martin be related to Christina Aquilara by any chance? He has her bandanna on...

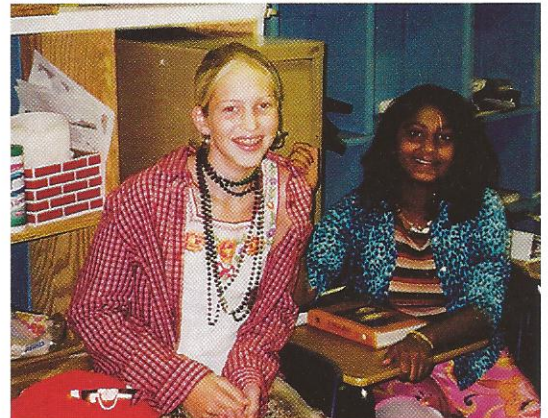

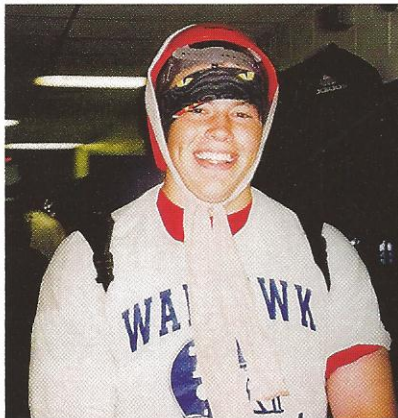

Shane Ziegler was obviously a hippie in an earlier life.

This kid better watch out for Mr. O'Gorman with his unshaven face...wait a minute, that's Rebecca Lorin!

Ryan Bishop, "Billy Bob" grins, wishing he could dress like this everyday since it's so much easier to pick out your clothes.

Beena Thomas and Harriette Bridges agreed that loud, exaggerated patterns were a must for tacky day.

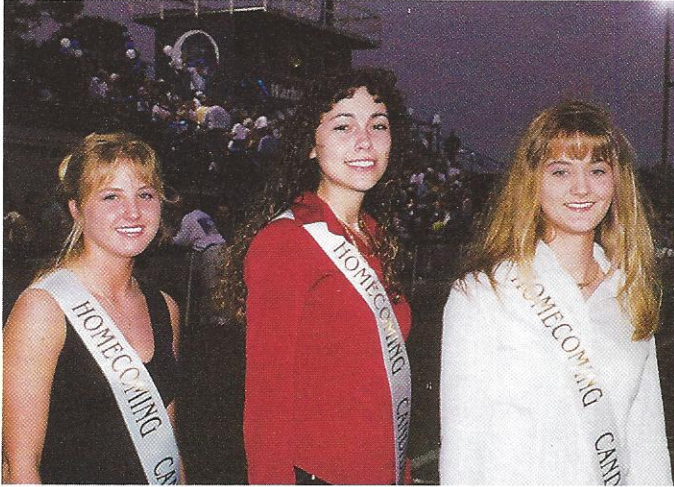

Our Homecoming Queen for 2002, Ashley Thomas

A proud Smith Richardson poses with Ashley Thomas.

Headmaster Louis O'Gorman takes a picture with CPA's New Queen.

The three candidates for 12th Grade were Abbie Davis, Terri-Lyn Steedly, and Ashley Thomas.

The Candidates for the Remaining Grades:

11th: Andrea Gooding & Mallory Hogan

10th: Christina Babb & Mandy McLaine

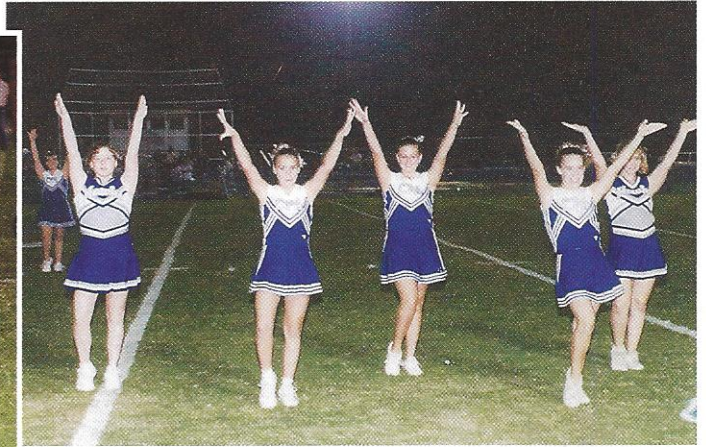

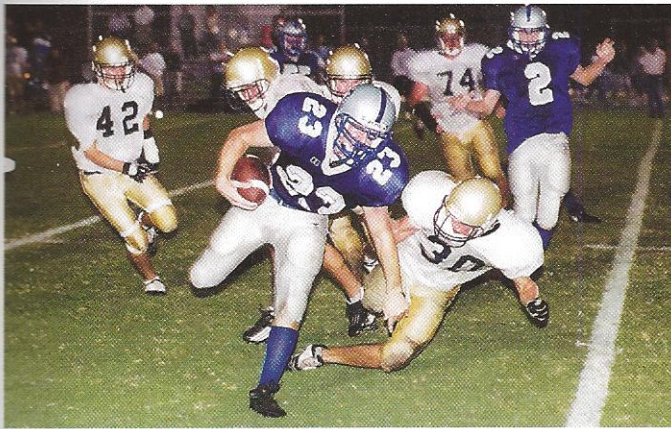

9th: Meagan Hetrick & Lee Odum

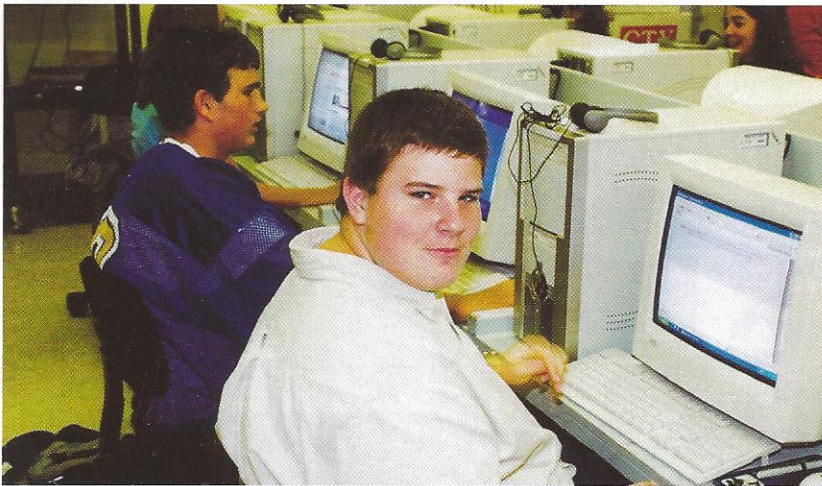

It is to be announced that Ashley Thomas has won the most honored position of Homecoming Queen. Congratulations! Long Live the Queen!

All the Homecoming Queen candidates, the Queen, last year's Queen, and the King and Queen of Hearts all together for a unforgettable night.

Go Hawks!

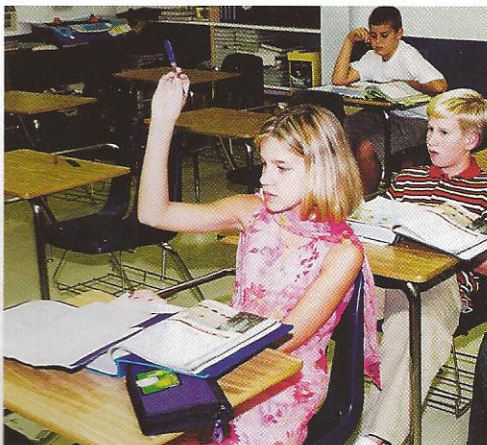

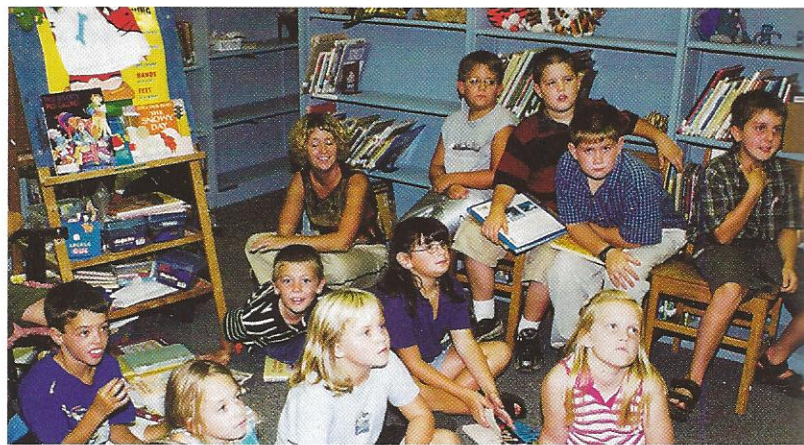

Chaz Soard is interrupted while typing an assignment for computer class. That's okay though; who doesn't want to take a break from work?

Aren't these cheerleaders cute? Harriette Bridges and Ellis Upchurch smile enthusiastically before cheering.

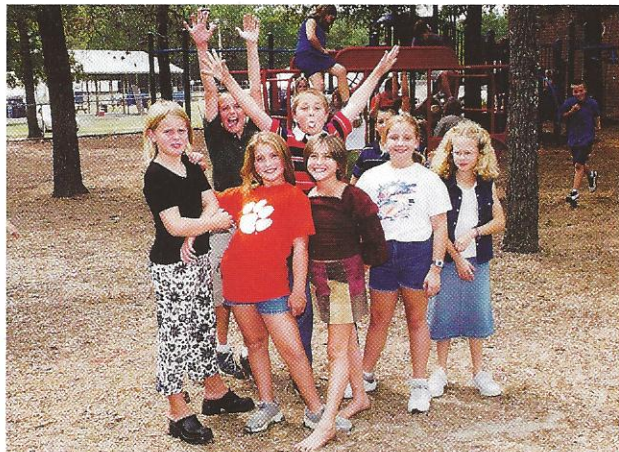

"I'm so confused! I sure hope Brittany is going to ask about the same thing I'm wondering about."

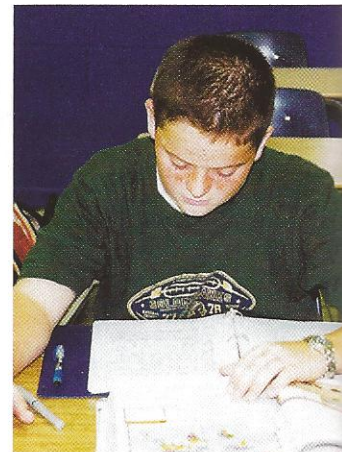

"Who lives in a pineapple under the sea?" These fourth graders definitely enjoy watching SpongeBob Squarepants in the library.

Brittany Hogan gives her book her full attention. She wants to make sure she knows the information by heart.

Wow, just look at this crazy bunch of kids!

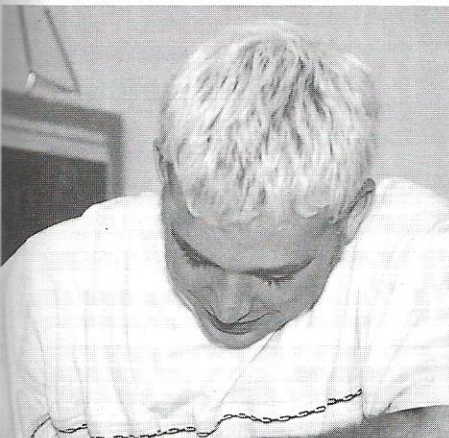

"Okay, if that's India over there, then this country here must be..."

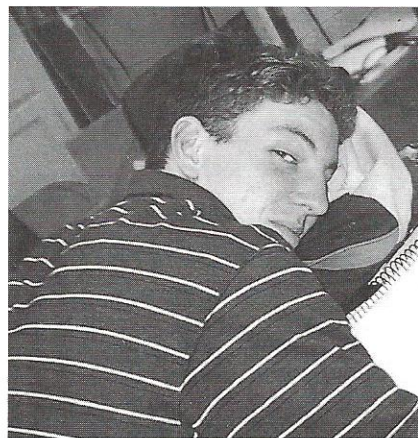

Mindy Martin laughs at one of the class clowns in her class.

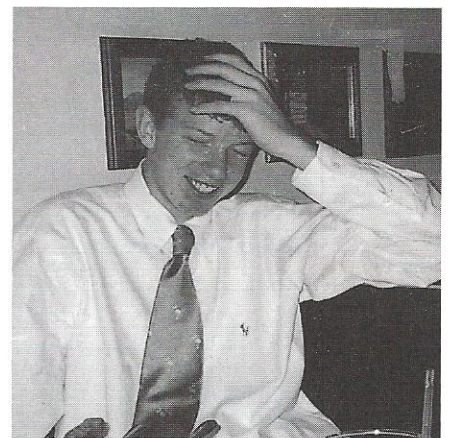

All the football players gather around in a circle to sing the Alma Mater at a pep rally. Pride in being a Hawk is shown on all of their faces.

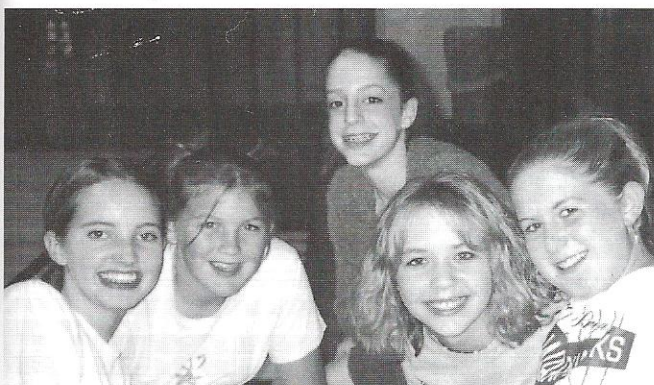

Lathon Tripp attempts to look serious while doing a worksheet knowing he'd rather be at home in his warm bed.

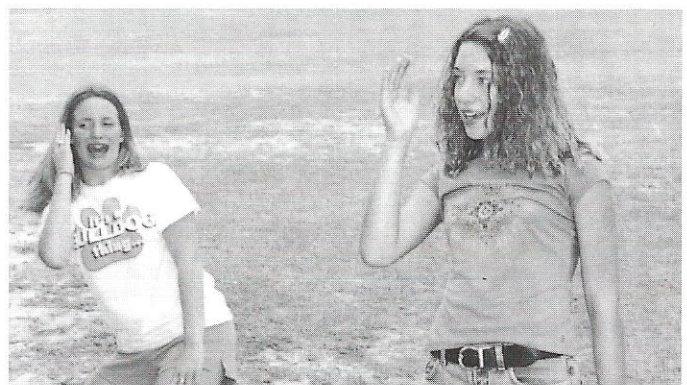

Jerel is caught snoozing in Biology. Hope he didn't drool on his bookbag!

Perry Buckner cringes after hearing something stupid that one of his friends said during a Student Council trip.

Some sophomore ladies pose for a quick pic in the gym while practicing for the President's Fitness award.

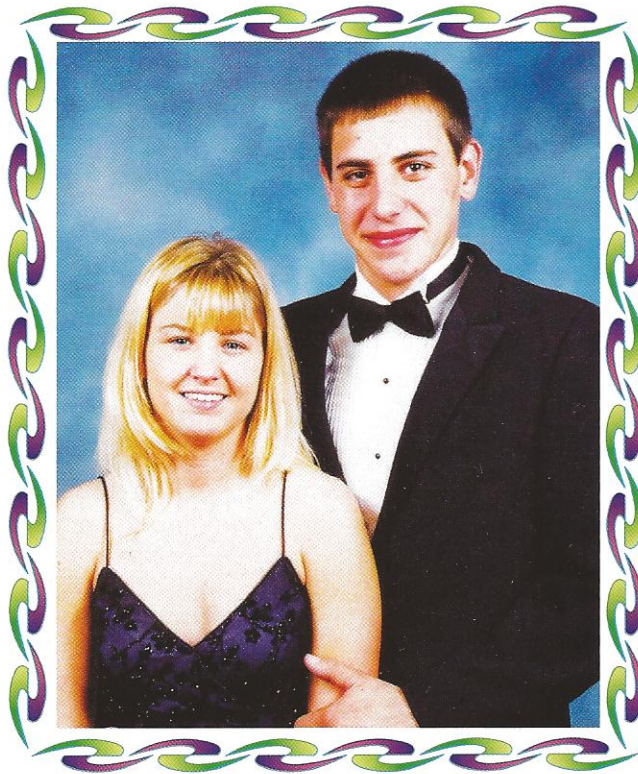

Jordan Houck and Andrea Gooding brush up on their cheering skills.

"Weeeeeeeeeee!" The tire swing is a great favorite among the younger children.

Madison is glad to be in plaid!

"Patty cake, patty cake, baker's man. Bake those cakes as fast as he... as fast as he... hmmm, what comes next?"

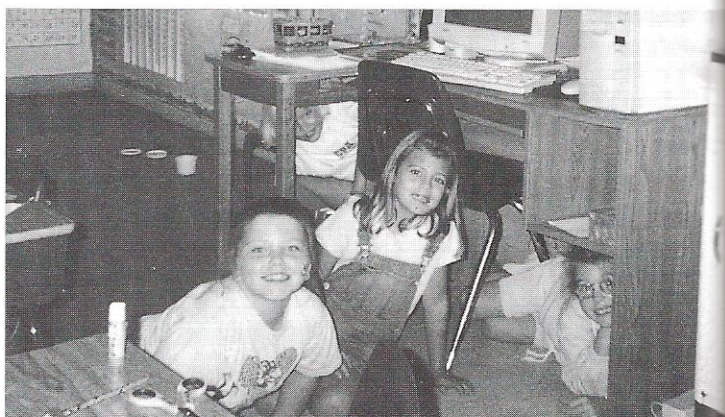

Loranda Bates intricately sharpens her pencil. The sharper the point, the better it writes.

Lower School Rules!

Angelica Torres has just started a new fashion statement and is extremely proud to show it off!

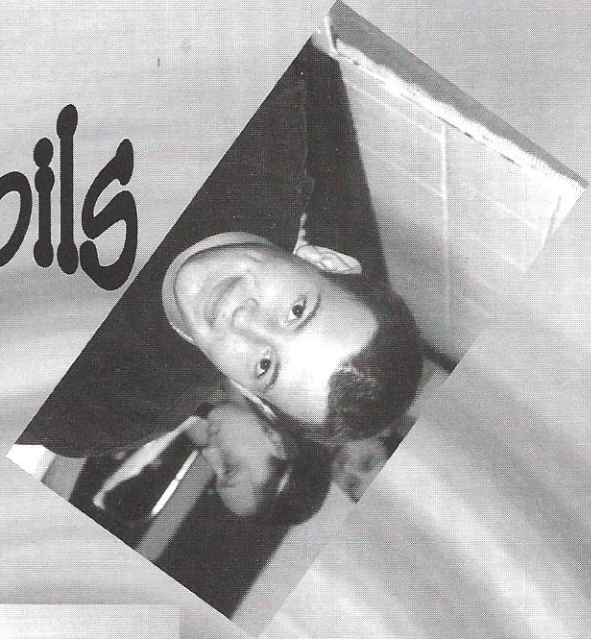

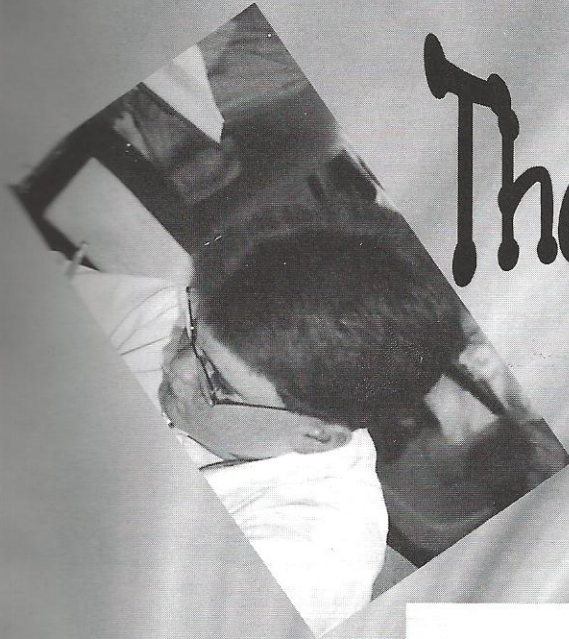

Kyla Floyd is the newest spokesperson for Mello Yellow. Look, her eyes even match the can!

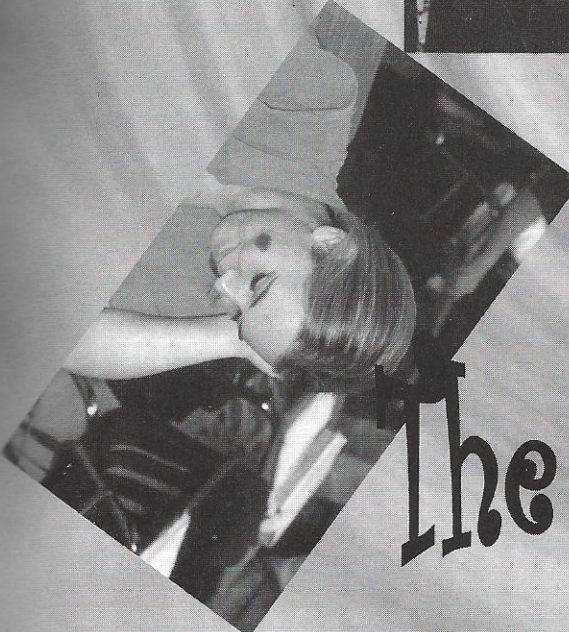

These kids have played hookie all day and are just now coming out of their hiding places.

Radio

A Chance of a Lifetime

Jaime smiles after a long day of cheering and clapping in the stands at USC Salk.

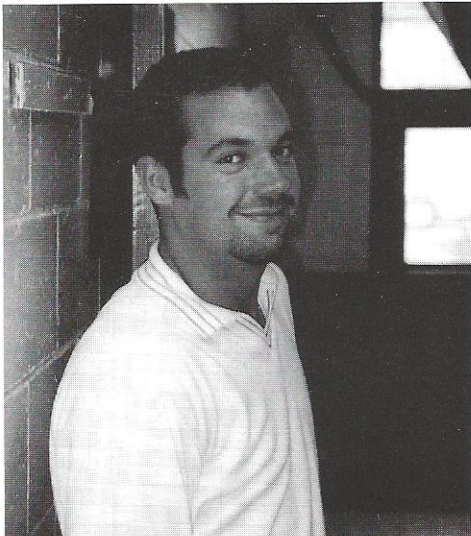

A little while after the school year started, two strangers came to Walterboro. They made their way to Main Street and introduced themselves to all the shop owners and explained that they would be spending a lot of time downtown. These two people were location directors for Radio, the movie that made Walterboro's downtown a mecca. Not long after that they had casting calls for potential extras. Thousands of people showed up; some people made it and some people did not. Several people from CPA were lucky enough to be chosen.

They have participated in scenes filmed downtown, the stadium, and USC Salk. They are very fortunate to have been part of such a fantastic experience and will never forget it for as long as they live. Look for them in December 2003, the release date of the film!

Who else was in the movie?

Andrea Gooding, Jordon Houck, Jaime Polk, Joseph Barrett (he had an actual line), Rachel Parchini, and Kate Cannon also experienced a little bit of stardom.

Future Stars!

Coach Minton was one of the guys who sits at the score table during basketball games.

Mrs. Nettles was a basketball fan, so she missed TWO days of school! CPA didn't know what to do without her. Thank goodness she decided to continue being a secretary.

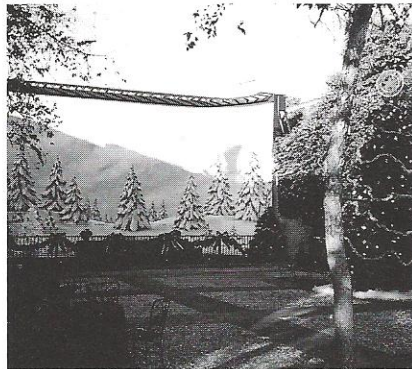

And guess who rubbed shoulders with Chris Mulkey? None other than Mrs. Armentrout herself!

Location:

When not a hardware store, this is usually a dealer of fashionable clothing.

Where's the waterfall? This Christmas scene concealing the waterfall was built in less than a week!

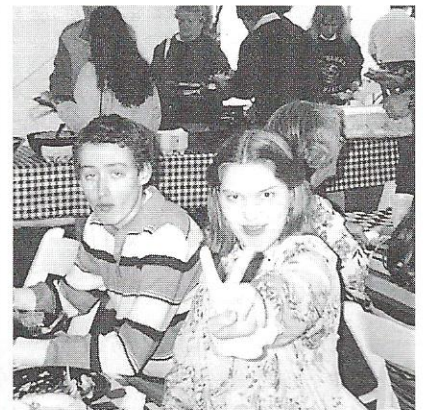

From antiques to groceries—some people even came into this store wanting to buy what was displayed in the window.

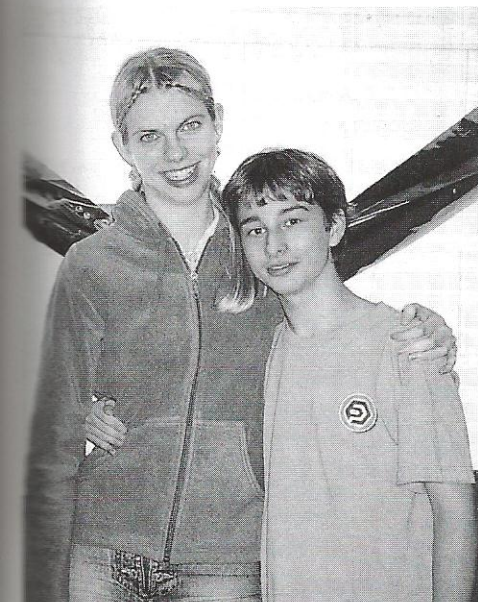

Kaitlin played her true, life role: a cute and lovable little girl. Awww.

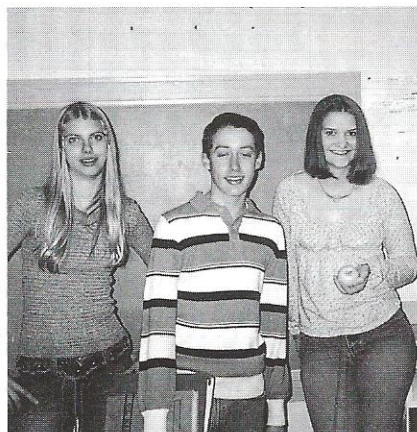

Look at that movie star-smile!

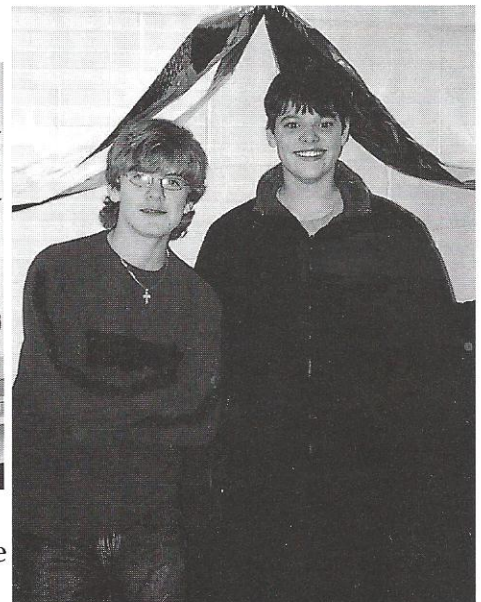

Peace!

These two sat in the stands for the basketball and football scenes.

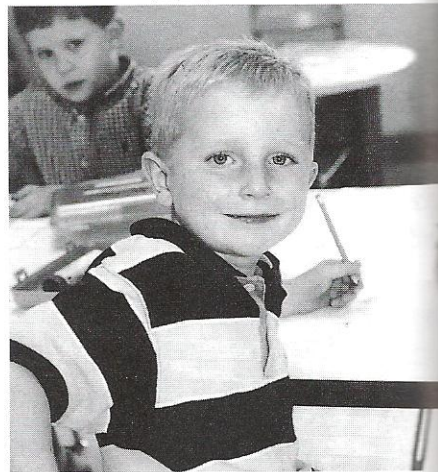

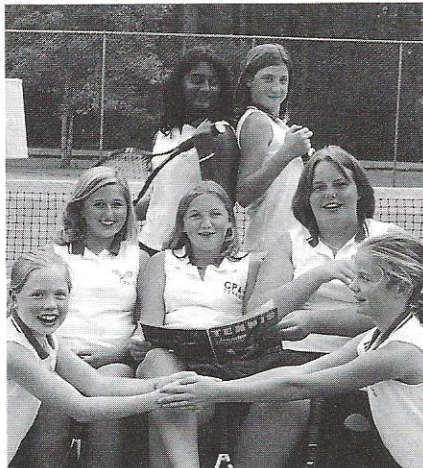

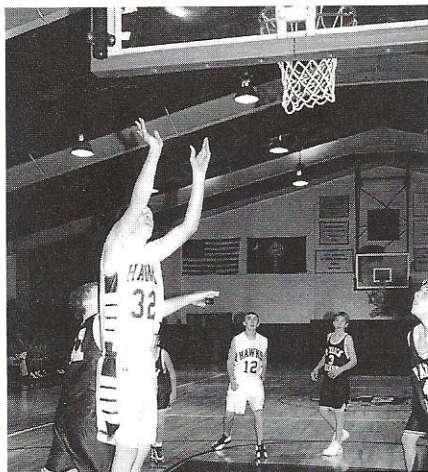

Lehe is so star struck by the whole experience, he feels the urge to blink.

Whoa, wonder which one will make it onto the cover of People first.

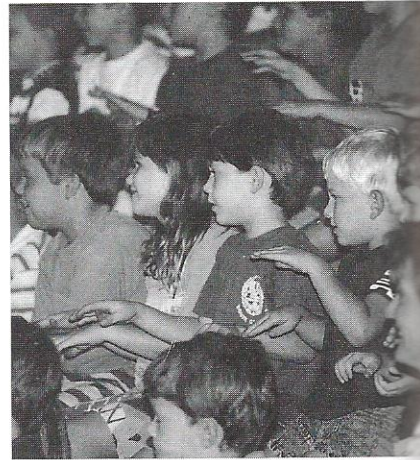

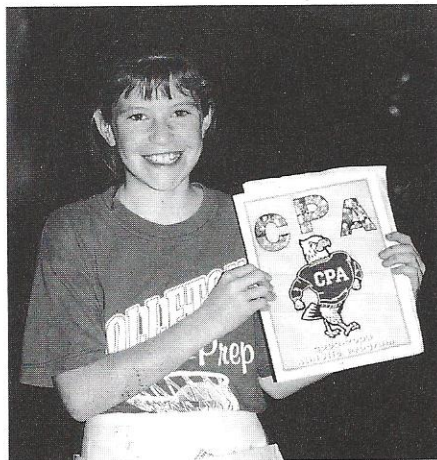

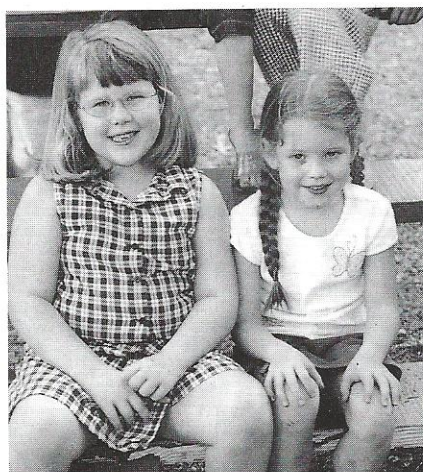

What Makes A

Memory?

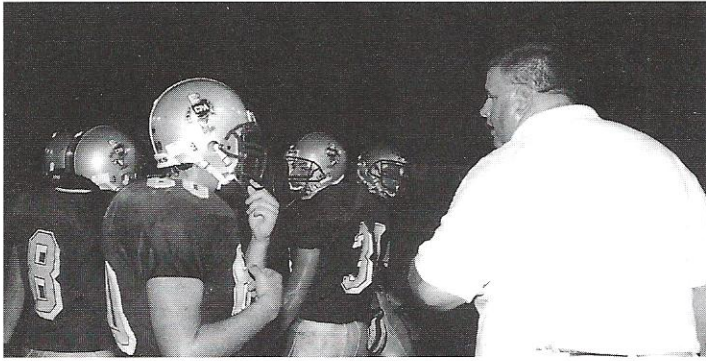

It could be a gift or a gathering—the face of a friend. A word. A weekend. A whisper. Or maybe your senses alone make the memory, each—if only for a moment—enticed, reveling, forging an undeniable impression. In the end, we suppose, it's the quality of your life you'll remember, measured not so much by the minutes, but by the essence of your experience.

G-Money,

You have supplied me with such happiness throughout your life. First of all graduating and going to college. Then there is the 22-0 J.V. basketball season, the baseball and football State Championships. Congratulations and I am going to miss having you around. Good luck in the future.

Love,
Dad

Jay,

You will never know how proud I am to have a brother with a good head on his shoulders like you do. You're not only my brother, but my best friend. I love you so much, and always do what makes you happy in life.

Love,
Bubba

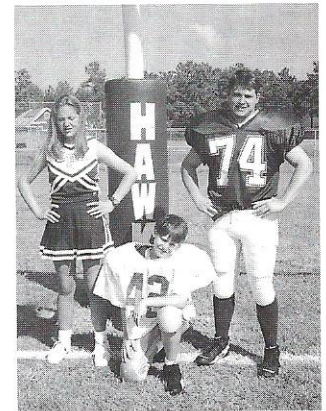

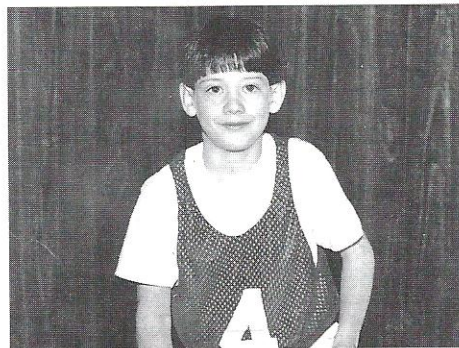

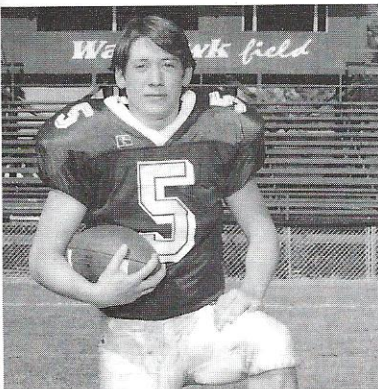

Wesley,

Last but not least.

It's been fun.

You are our princess. We love you and are proud of you!

Love,

Abbie,

Follow your DREAMS and reach for the stars. You are our shining star! You've always been a wonderful part of our lives and will continue to be just that. No matter where life leads you we will always be there to stand beside you. We are so BLESSED to have you as our neice and Lexie's cousin!

To My Dear Daughter Abbie,

You have reached a valuable milestone in your life, one that I hope has taught you many lessons and gained you many lifelong friends. Please remember that respect, sincerity, trustworthiness, and integrity are virtues that will never lead you astray. Through years of laughter and tears, stomach aches and boo-boos, you have become a lovely young woman. Be true to yourself and make the most of every challenge that life brings you for they will be wonderful experiences that will stay with you forever. You have made me the proudest Dad on Earth. You will always be my little girl.

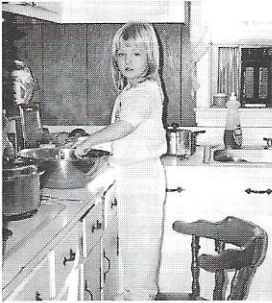

I Love You,
Daddy

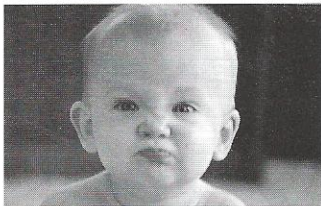

Ashley,

You are everything your father and I had ever hoped for in a daughter and more. We are so proud of you. Always face life with your eyes open, follow your conscience and you will always succeed. We love you very much!

Dad and Mom

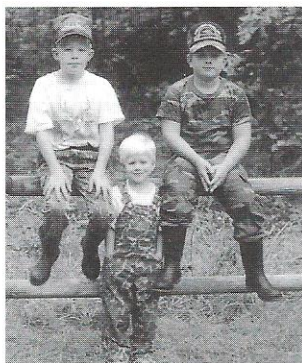

Ashley is not only a joy to our family but, she has also been a wonderful help to us at True Value. We love her.

Ashley,

You bring so much joy to our lives. You will be graduating soon and starting a new phase of your life which will be exciting for you. We are very proud of you and have so many fun memories of your childhood. We wish the very best for you in the future and you will always be in our thoughts and prayers and very near to our hearts.

Granny and Papa

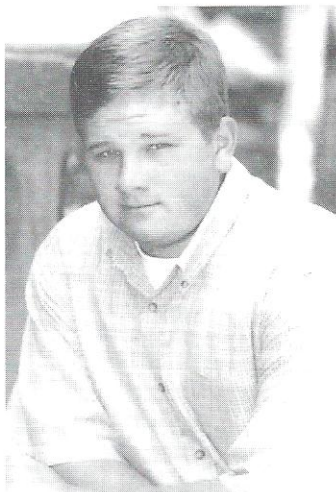

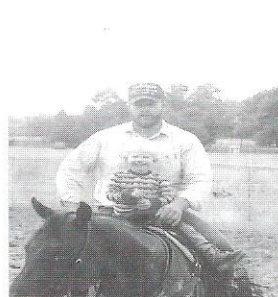

Clark,

A positive attitude will take you anywhere you choose to go in life.

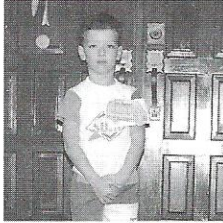

We're so proud of you!

Love,
Dad and Mom

As a young man I always wanted and prayed for a son. Long before you were born I already knew I would give you my name. When you were in your mother's womb technology allowed me to know you would be a son. What I didn't know were the wonderful memories and joys you would bring me as the years rolled by and you grew into the young man you are today. I thank God for blessing me with you and giving me you. I will always love you and as long as breath is in me I will be there for you. Look forward to the future, look forward to your life. You're going to go a long way.

Love,
Daddy

"Jim2"

When you came into my life approximately nine years ago I did not know what to expect. We have had our ups and downs, ins and outs as would any step-mom and step-son. I feel that our relationship has passed the "step" level. I am very proud of you and I am proud to call you "my son"!

With Love,
Mama (Janice)

"Jimbo"

First I want to say that I am so proud of the young man that you have become. I know that I missed out on a lot of things in the past few years, but you were never out of my heart and mind. I love you with all my Heart. (Thanks Janice for being there when I couldn't) Continue on the path that you are taking and the sky is the limit.

I LOVE YOU!!
Mom

James,

Ya made it hammerhead.....J.K. I'm proud to be your step-dad. Keep up the good work and keep your eyes focused on Jesus!

LYMI!
Joey

Remember the "Bucking Broncos", our rake and broom horses, we rode all the time just Grandma and you?! May you ride the "range" to happiness and success in your life! I am very proud of you!

I Love You,
Grandma

"Jimbo"

We are proud of you and hope that you continue to follow your dreams. Continue to study hard and you will succeed in what you set out to do.
We love you.

Love,
Nanny and Papa Beard

Childhood Friends

By: Mindy Carpenter

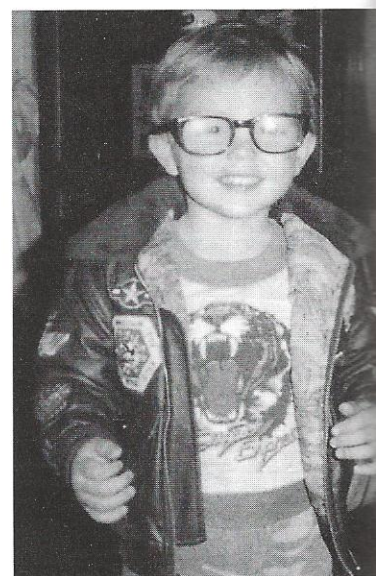

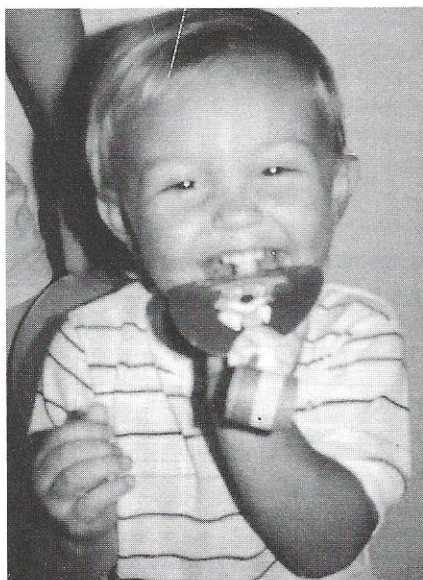

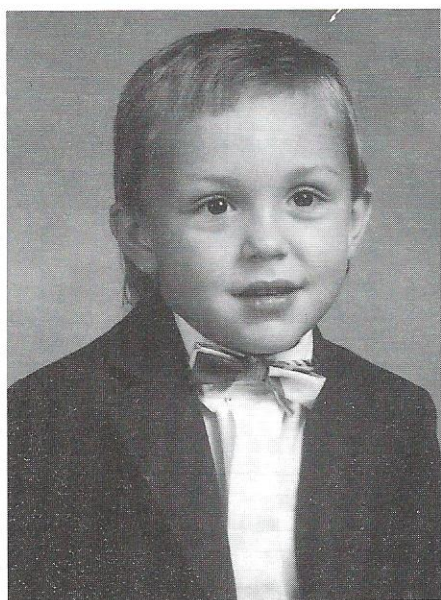

As childhood friends, we grew up together,
Swearing to be friends forever and ever.
Sometimes we would argue and fight,
Other times we would laugh and stay up all night.

We went from playing with games and toys,
To talking and dreaming about different boys.
My thoughts and feelings, to you I would confide,
Never having anything to hide.

Friends we do remain,
Things changing, and things staying the same.
To each other, we will always care.

The road has been long
And all worthwhile
You made it great
With your wonderful smile!
We know you will succeed
In whatever you do
We are so proud of you!
Love, Mom and Dad

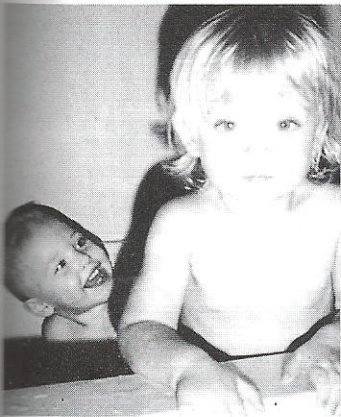

Best Friends

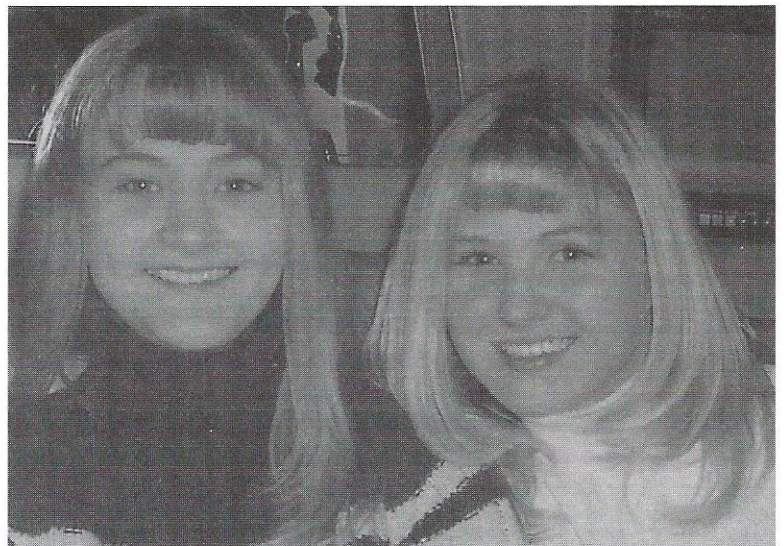

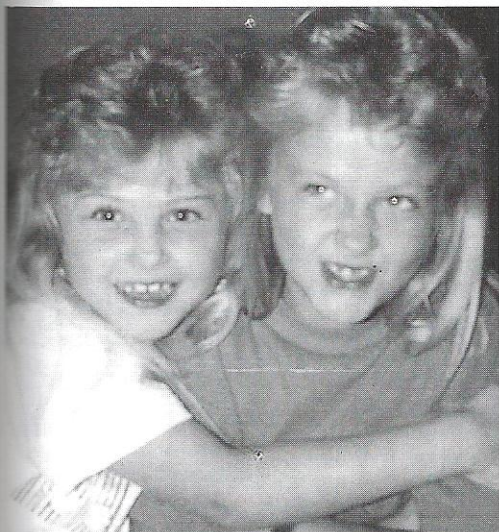

We've been friends since we've been born
Deep in Cabbageville--in patches of corn
We've been thru it all--good and bad
Sometimes each other is all we had.

We've been thru pain, hurt, and sorrow
We'll be there for one another always tomorrow.
Thru giggles, tickles, fun, and laughter
We'll be there for each other ever after.

You are the sister I never had
I'll love you thru good and bad.
No matter where our lives turn or bend
We'll always be best of friends.
