Every time I do it makes me laugh ...

Dedication

Learning...It's supposed to be dull and boring, right? Not in Mr. David McArthur's class. Mr. McArthur requires each of his students to give him their best effort, but he makes sure that they have fun doing it. Although Mr. McArthur is mostly known as a math teacher, he also serves as a mentor for many Colleton Prep students.

Mr. McArthur has been a teacher at Colleton Prep for eight years. He has taught every math class possible plus computer applications. He has also been the tennis, basketball, and football coach in the past, and currently serves as the golf coach. Not only did Mr. McArthur teach computer applications, but it is safe to say that none of the computers in the whole school would be running correctly if it were not for him.

Mr. McArthur travels a round trip of one hundred and sixty-two miles to Colleton Prep from Savannah everyday, and students could not appreciate that more. His booming laugh and his overall good nature helps get many Colleton Prep students through the day. Mr. McArthur does all of these things and more, and we would like to take this opportunity to thank him for all that he does by dedicating the 2006 Talon to him.

WE LOVE YOU MAC-DADDY!

Farewell From the Class of 2006

We'll always remember the good times,
The laughter and the joys
The days we spent together as little girls and boys.
We all walked in as children each bringing their own faults
But now the time has come for us to leave here as adults.
So, thank you, teachers, staff, and coaches for all the knowledge that
you've shared
For showing us with each year that passed, how very much you cared.
As each new chapter opens and the old one soon ends
We'll leave these halls surrounded with the memory of our friends.
To Mom and Dad we thank you for each time we searched the crowd
And always found you seated there so that we could make you proud.
You gave your time so freely and we know you are always there
So thank you Mom and Dad for all the love you freely share.
Caps and gowns will adorn us on graduation day
As the Class of 2006 becomes alumni of C.P.A.
For no matter where life takes us or the path we choose to walk,
We will each be a grateful Colleton Prep War Hawk.

reflections of our patrons

Dear Kendall,

The first eighteen years have gone by way too fast. The memories we have together as a family will never be forgotten. As you now begin the next phase of life's journey, continue to let God be your guide and remember how much we love you!
Mom, Dad, Jonathan, and Madeline

Dear Zachary,
Time has truly flown by. Just a little while ago you were our cute, curly-haired baby boy. Andrea was your little momma and you listened to her every word. Now you are a handsome young man with a mind of your own. You are bright and intelligent. Follow your heart, apply yourself and you can be anything you want to be. We are truly proud of you. We love you and support you with all our hearts.

Wes,

We have grown up together; you have brought so much joy to my life. You were an unexpected gift from God, you changed my life. You have not always understood the decisions that I have made for you, but they have created the well-respected, sensitive, young man that you have become. You try to play "tough guy," but I know the size of your heart, I've seen it broken. I know the burdens that you choose to carry to save the feelings of others. Your graduation is a special time for both of us. To me it is a day of accomplishment, to you this is a time of freedom and maturity, but with these come responsibility for yourself and those around you. Be a leader, remember you have five sets of younger eyes watching everything that you do, wanting to be just like you. Never be too quick to make decisions or be provoked to anger. You've been a good kid, you will be a good man. Let God lead you in all things, never make decisions big or small without His guidance. He will never leave you, He will hold you when I can't. Rise above the ways of the world and remember the things that you have been taught. Respect authority and fear the Lord, I love you Wes Wool

Mommie

Mindy,
It seems like yesterday you were starting kindergarten and now you are graduating. The memories you have given us are priceless. We are so proud of you and your accomplishments. Just keep being yourself and you will go a long way.
We Love You,
Mom & Dad

Kristin,
 Daddy's little girl is all grown up.
 Congratulations! We are proud of you and your accomplishments.
 We love you and wish you the best.
 Love,
 Dad & Teresa

Kristin,

I am so proud of the young lady that you have become, the goals you have set for yourself, and all the things you have accomplished over the past 18 years. I want you to know that I will be there for you through the good times and disappointments life may bring. I know Pappy and Bubba are so proud of you. Remember you will always be Pappy's frog, and my babydoll.

*Love always,
Mommy & Snuggles*

I can't believe eighteen years of our lives are gone, but those years are filled with lots of memories. It seems like not so long ago I brought you home from the hospital. The first night I was wishing those big blue saucers would close so I could get some sleep. You were such a good baby. When you were a toddler, we stayed up late at night watching horror movies. I never thought you would outgrow that teenage, "know-it-all" mouthy age. I am so glad that didn't last long. You were always so independent, sometimes it was scary, but I knew it was part of who you are and who you have become in life, and you will be successful. You grew into a beautiful, loving, caring, and intelligent young lady that I am very proud of. A mother couldn't be prouder of their daughter than I am of you. In my heart, you will always be my little girl, I will always be a mother and a friend when you need me, my love for you is unconditional. You can achieve all that you want in life, because you have what it takes to make it. I hope your memories will all be good ones and your plans and dreams all come true. Reach for the sky!

Live Life Large!

We all love you very much,
Mom, Dad, & Trey

My Dearest Elizabeth Ann,
 Having you is the best thing in life. Watching you grow into a beautiful woman and knowing wherever you go or whatever you do your father and I are very proud of you. I hope life after High School is everything you ever dreamed it would be, you have always had good dreams! Just remember follow them and you will go far! We Love You- heart, body, and soul-OXOXOX forever and ever.
 Mom, Dad, and Jenna

We are so proud of you and all of your accomplishments in school these past thirteen years. Seems like just yesterday we walked hand in hand to Edgewood Baptist Kindergarten and shed some tears. You left for school each day with a smile on your face and we knew how much you loved your teachers and friends at C.P.A.

There is so much to look forward to and we know you will succeed in whatever you choose to do each and every day.

We are proud of everything you have done and what you will do.

Remember that we love you with all our heart and will always be there for you!

**Love,

Melanie,

CONGRATULATIONS!! I am so very proud of you! Graduating from High school is just one of the many goals and accomplishments you will achieve in your life. As you begin this new adventure of stepping into the world, always remember your morals and values ,and what you believe in, always hold your head up and go for your dreams, be determined never give up. Remember how much I will always love you, but most importantly remember what *is* important, your family and always keep God first in your life and you will succeed. On April 18, 1988 God blessed me with a beautiful, sweet, loving daughter. I am so thankful for that gift. You changed my life in a way that is so special, words can not describe it, you have decorated my life by painting your love all over my heart. The years have passed so quickly, you have brought joy to me through every year, now you are a young woman, and I am very proud of you! Wherever life takes you always know if you ever need your mother I will always be there for you. Thank you for being "*You*", "*My Daughter*", and "*My Friend*". I love you with all my heart, God Bless you today and always,
Mom

Melanie,

To My Dearest Son Kent;

You are my proudest moment. From the instant I knew you were in my life, I knew I had a gift. You have grown up into a young man I am proud to call my son. I know life has had many turns; some which were rough on you. However, with every turn you grew stronger in mind and character. Your gentle manner is a priceless attribute of the man you are. I hope you will remember that the little things matter. That it is okay to fail, learn from the mistake and become wiser. Don't be afraid to go after the unknown. Take stumbling blocks and make them stepping stones. That tomorrow will never come, live for today. Take nothing for granted even if it becomes yours easily. Believe in yourself as I believe in you. And finally, to quote the song of Lee Ann Womack:

*I hope you never lose your sence of wonder
You get your fill to eat but always keep that hunger
May you never take one single breath for granted
And God forbid love ever leave you empty handed
I hope you still feel small when you stand beside the ocean
Whenever one door closes i hope one more opens
Promise me that you'll give faith a fighting chance
And if you get the choice to sit out or dance
I hope you dance,*

*I hope you never fear those mountains in the distance
And never settles for the path of least resistance
Living might mean taking chances but they're worth taking
Loving might be a mistake but its worth making
Don't let some hell-bent heart leave you bitter
When you come close to selling out reconsider
Give the heavens above more than just a passing glance
And when you get the choice to sit it out or dance
I hope you dance.*

Kent, Congratulations! I'm proud of you for what you have accomplished. Time has flown bye, Follow your dreams, Enjoy college, But remember to study too! I'll always be there for you and I Love You. Dad

Jeffrey,

It is hard to believe this day is here. You have given us precious memories to treasure for our lives. Please always remember to follow your heart and go for your dreams, always keep the Lord with you, and use your head.

Love always,
Mom and Dad

Jeffrey,

Of the radiant gifts you give, it's your heart that shines brightest and best. Pass on your positive spirit and remember there is no limit to what you can achieve when you believe. Laugh, live and smile...for what you get out of life comes from what you put in. We love you!!!

Aunt Kathy, Uncle Franklin, Aaron

Bucky,

You and I have always had a special bond. It is so hard for me to believe that you are graduating high school. It seems just like last week that JR and I would spin you around in the hall way and let you run into the wall, or you would sleep next to me. Always be true to yourself and know that your "FoFo" is always right here for you. We love you! Congratulations!

Love,
Jenna, JR and Jessica

Bucky,

It seems just like yesterday that you were, "Bucky Beach", now as you start this new journey in your life always to remember to keep your faith, believe in yourself and know that you are never alone for we will always be with you, believe in you and love you.

Love,
Woo Woo, Uncle Roger, JR and Fu

 We Love You,
 Mom & Dad

Taylor,
 Just yesterday, we had to pack Kleenex to watch your tow-head and smiling face walk out of the gym with Mrs. Howell and the rest of your kindergarten class. Now we are packing it again to watch your long hair and smiling face walk out of that same gym with your graduating class. We are proud of all that you have accomplished at CPA, but are just as proud of the person that you have become. Your proven concern for others will be just as important for your future as your excellent grades. Your visible honesty will earn you just as many friends as your ever-present sense of humor. Your obvious commitment to your faith will support you just as much as your love of sports. Although it will be hard for us to let you go out on your own, we know that these values will stick with you in all that you do and wherever you go. With your friendly personality and your new-found ability to use a toaster, we know that you can make it in the world! Even though you will be farther away, our love and support for you will always be the same. Set high goals for yourself and work hard to achieve them, but at the same time, be sure to find a path that makes you happy and take a little time to have some fun. We are proud that you are our son.

Love, Mom & Dad
 Every one to whom much is given, much will be required. Luke 12:48

Tay,
 I'm going to miss you next year when you are off at college. Sometimes we fight, but I am always glad that you are my brother. I love you Detective!

We praise you for the years of dedication, hard work, and for your courage to keep walking the right path. Your future is brighter than the brightest star and the possibilities are endless. Live the life you have always imagined and never settle for second best. Go confidently with all your heart in the direction of your dreams.

FRIENDS FOREVER !

Meagan,
 You are such a beautiful person inside, as well as out. You are a wonderful daughter and we adore you. Thank you for being such a blessing and bringing so much joy to our lives. You brighten every room with your unforgettable smile. Remember to do your best and know that we are always proud of you. Congratulations on all your accomplishments. We wish you all the best for a future filled with happiness. May God bless you!

We Love You!
 Mom & Dad

Dearest Meagan,
 You'll always be my baby sister. When I think back on all our memories, I think of that moment that describes why I love you so much is because you are the type of person who said (about our new kitten) at age 3, "you can pet him first." You've always been the most giving, loving, kindest person I know. You are the perfect example of what it means to show unselfish love toward others. I hope you realize what an amazing individual you are, but if not, I'll be here to remind you. You will always be a huge part of my life and my heart.

"I could never love anyone as I love my sister!" Jo March,
 Little Women

All my love,
 Aston

Catherine,
 It is so hard to believe that we are actually writing this letter for your senior page. You would think after 17 years to prepare we would know exactly what to write.

From the very first moment we held you in our arms we could not believe how wonderful you were. We knew we had been given a blessing. You have proven that to be true through the years. We are so lucky to have you and we think God everyday that he chose us to be your parents.

You make the world a better place. You can light up a room with those beautiful blue eyes and that gorgeous smile. You have blessed the lives of all those that you touch. You have always been such a positive influence on your younger brothers and you will always be special to them.

Although, your time with your grandparents was so short please know and always remember how very proud they were of you and how much they loved you.

We know you will succeed in all that you do. You have the courage and the grace to face any challenge.

You are a special gift from God. We are so proud of you and love you with all our hearts. We will always be here for you.
 We love you,
 Mom, Dad, Richard and Nick

Catherine with your eyes so blue
 You make us so proud in all that you do
 Your smile brings us sunshine to all that you know
 Our dreams all came true as we watched you grow
 God sent us the best on the day you were born
 To keep you or send you we know he was torn
 Our lives have been blessed with you by our side
 Our hearts burst with love, joy and much pride
 So, wherever you go or whatever you do
 Always remember how much we love you

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RIISING FROM THE STORMS

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
