

MRS. JANET BUCKNER

As We Go On...

...we will remember our mentor, our teacher, and our friend, Mrs. Janet Buckner. She has taught us so many different life lessons that we will carry with us as we journey down our own paths. She has raised us like we were her own. Thanks for making our years at CPA the most memorable years of our lives. Like you always told us, "go get jiggy with it, sonny!" We proudly dedicate the 2008 Talon to you.

Love,

The Class of 2008!!!
