

Bryan,

The night we brought you home from the hospital we talked about the gleam in your eyes. We knew right then that you were going to have a friendly and wonderful personality. We were right.

The joy that you've brought to us is priceless. Your respect and love for us makes us so proud to be your parents. Your energy, fun-loving ways, and your sense of humor impact everyone around you.

Continue to be true to yourself in life. We know you will succeed in whatever you choose to do because you have what it takes. Keep your dreams big and believe in yourself. Remember, we will always be here for you. Thank you for being such a blessing.

We love you,
Mom & Dad

Bryan,

You're the best brother in the world. You always make me laugh and I know I can talk to you because you will always listen. I am going to miss you so much. Don't ever change!

I love you,
Allison
