

**Whitlee,**

**You are definitely our sunshine and our shining star. These past seventeen years have been quite an adventure watching you grow into the special person you are today. Although we are sad to see this part end, we are very excited about what your future holds. Your honesty and integrity will carry you far in life. You can accomplish whatever you set your mind to do, you always have. Your outer beauty is only overshadowed by your inner beauty. Now it is time to go forward and make the world as special for others as you have for us. Always know that our love for you is unconditional and unending. Whenever you need us, we will be there, along with the angels that God has put on your shoulder.**

**Love forever,  
Dad, Mom, Cassy**
